Polite Reminder for Pupil Absence

Could I please remind all parents and carers that pupil absence needs to be reported to the office by 10am on each morning of illness.

If your child has either sickness or diarrhoea they need to have been clear of any episodes for a full 48 hours before they return to school. This is to prevent the spread of illness to other pupils and staff. Thank you.

Proud Pupil Work

The Vision of War

"A tear rolled down his transparent face leaving a trail of water behind. He looked at Flanders Field visualising the day 70 or so years ago the sound of gunshots still haunted his ears people's violent screams filled the smokey atmosphere. Deafening shrieks pierced his ears while gunshots shocked him.

The wounded surrounding him, "Help" they all cried he reached out but remembered it was just a vision, just a vision of War. He reached into his pocket and pulled out a locket with an image of his son, daughter, wife and dog a tear dropped onto his polaroid picture soaking up the substance. As the image faded, the poppies of Flanders Field came into view"
