

PSHE

We will discuss positive and negative emotions. We will also discuss safety and risk including those risks linked to internet safety.

Writing

We will be reading texts including Escape from Pompeii by Christina Balit. We will research and read about volcanoes including Mount Vesuvius. Children will apply taught writing skills to different genres such as setting descriptions, instructional texts, poetry and story writing.

Music

We will listen to live music from different traditions and develop a better understanding of notation in music.

Year 3

The Romans

Spring Term 2020

Science

Our theme this term is forces and magnetism. We will investigate different types of force such as friction and gravity and materials that attract to magnets.

RE

We will be learning about salvation and different gods and goddesses including those linked to the Romans.

PE

This term we are going swimming! We will also take part in outdoor crossbar games sessions.

French

Last term we practised speaking simple phrases in French. This term we will be applying these whilst holding simple conversations.

Geography

Our focus will be on physical geography. In particular, volcanoes and earthquakes.

History

We will focus on the impact that the Roman invasion had on Great Britain. We will also learn about key figures from ancient Rome such as Julius Caesar.

Maths

Our units this term focus on multiplication and division. We will practise at becoming more fluent with our times tables and how these help us complete multiplication or division sentences or solve word problems.

Bratton Passport at Home

Take part in your very own Roman Banquet!
Make a musical instrument!
Compose a piece of music!

Computing

This term we will have a focus on internet safety and measures we can take to help this.
