

Reception News 7.2.20

This term we have been thinking about people who help us in our communities. We have been learning about the roles of doctors, nurses and other medical professions. The children have particularly enjoyed our Doctors role play area. They have been busy diagnosing all sorts of ailments!

Communication, Language and Literacy

Phonics

We are learning the correct sounds for these letters

j v w x y z zz qu

ch sh th ng ai ee igh

oa oo ar ur ow oi

We have been playing games matching objects starting with the sound to the correct letter.

We are learning to 'sound talk' to help us blend sounds eg.

feet sight turnip coin

Writing

We are practising writing our surnames.

Reading

We are focusing on segmenting and blending to read simple words and sentences in our reading books. Reading as often as possible at school and home is really helping us consolidate our reading skills.

Mathematics

We have been focusing on numbers to 10.

We have been: Comparing groups of numbers up to 10

Different representations of numbers up to 10

Counting up to 10 from a larger group

More than and fewer than

How many more?

Finding the difference.
