

English/Reading

This term, the children will develop their writing skills through narrative writing and non-chronological reports. We will read a variety of texts including fiction and information texts.

MFL - French

Our lessons will enable the children to understand and speak some simple words and/or phrases in French.

Science

This term, our focus will be on practical skills and raw and synthetic materials.

Maths

This term our focus will be place value within 1,000, addition and subtraction and multiplication and division. We will also begin learning our 3, 4 and 8 times tables.

Bratton Passport at Home

Skim a stone.
Light a candle.
Explore on wheels.

Year 3

Prehistoric Britain

Autumn 2020

History

We will explore the history of Prehistoric Britain from the Stone Age to the Iron Age.

Geography

Our focus this term will be on building locational knowledge of North America as well as learning about rivers.

RE/PSHE

Our lessons will explore Creation and Fall. We will explore what is wonderful about our world, why and how Christians use the bible as their guide.

Art/DT

Our drawing skills will be practised in our sketchbooks. We will explore different media and texture, for example when creating cave paintings.

Music

We will explore and develop an understanding of pulse and timbre.

Computing

Our focus this term will be safety. We will learn about internet safety and the importance of staying safe online.

PE

Our outdoor PE sessions will be lead by Crossbar and will build on our teamwork and sporting skills.
