# NEWSLETTER

Friday 23<sup>rd</sup> October 2020

Dear Parents,

Welcome to the end of half-term! What a half-term it has been! We have all been delighted to see all the children back in school, learning and settled. After so many months being only a partial school, we have all been delighted at what has been achieved this half-term.

I was incredibly impressed with how well the children settled when they returned in September and by and large that has remained the case throughout the half-term. The children are tired now (as are all the staff team!) and need a good break next week.

There is a very important message about coronavirus below.

We look forward to seeing you all back on Monday 2<sup>nd</sup> November. Have a good break everyone.

Best wishes,

Mark Davis

Head Teacher

## **How to inform us about coronavirus over the half-term holiday:**

For Isolation:

If your child has to isolate over the holidays because they or a member of the household is waiting for a test or they have been identified as having been in contact with a person who has tested positive for coronavirus, email the school on the usual email address [stpetersbratton@taw.org.uk](mailto:stpetersbratton@taw.org.uk) Let us know what has happened and when your child will be back in school. We will then call you on Monday 2<sup>nd</sup> November.

As a reminder, isolation is:

- 14 days from being in contact with an infected person (as long as you do not develop symptoms)
- 10 days from the onset of symptoms (as long as you are no longer symptomatic)

If you are advised differently by track and trace or a medical professional, you should follow that advice.

### **For a positive test:**

If a St Peter's child tests positive for coronavirus over the half-term holiday, we need to know about it.

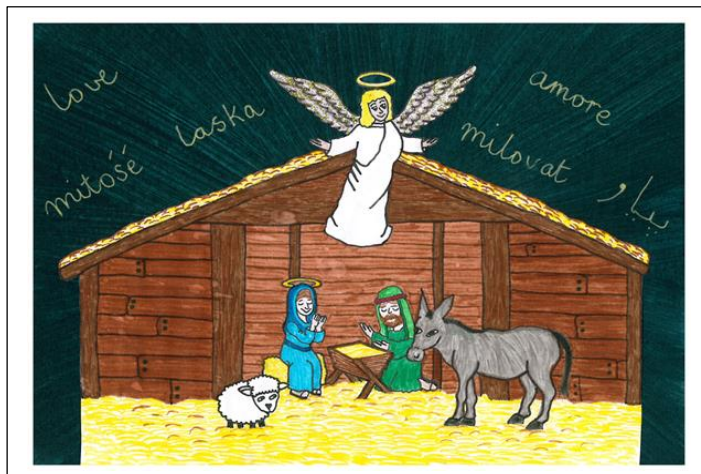

If this happens email [stpetersholidaycovid@gmail.com](mailto:stpetersholidaycovid@gmail.com) give us the details and a phone number. As we will need to contact the rest of the bubble to inform them to self-isolate.

This email address is only for a positive case for a pupil of St Peter's, not for any other member of the household or any other reason. Only emails about a positive case in a St Peter's pupil will be responded to
