NEWSLETTER

Friday 7th May 2021

Dear Parents,

I hope you are all keeping well.

We have shared lots of information on our Twitter feed about what we've been up to in school this week. You can follow us on Twitter @st_bratton. You'll also find the feed on the front page of the school website.

There are a number of messages below for you.

I hope you all have a good weekend.

Best wishes,

Mark Davis

Head Teacher

Latest Covid updates from Telford and Wrekin Council:

You can find this [here](#). It includes information about testing if you live in Hadley and Leegomery areas.

Letters sent this week:

There have been a few letters sent out this week, just to make sure you've had them:

- Arthog letter – Year 5
- Academies letter – Whole school

Learning Conferences:

We are holding learning conferences this half-term and again they will need to take place remotely rather than in person. Every child has been given an envelope today which contains a personalised letter with all the information in. We are using a system called School Cloud. All the instructions, dates, log on details and a help sheet are in the envelope for you.

Change in PD day for next year:

As parents are aware, PD days are subject to change and we have made a change to one of these days for the 2021-2022 academic year.

February 28th 2022 will no longer be a PD Day. This day will move to Friday May 27th 2022.

In summary, the PD Days for 2021 – 2022 are scheduled to be:

Thursday 2nd September

Friday 3rd September

Monday 18th February

Friday 18th March

Friday 27th May

The term dates for next year are on the website and you can find them [here](#).

CPAS and ventures holidays

The Church Pastoral Aid Society (CPAS) have released their Ventures and Falcons holidays for children age 8+ for this summer. You can find details of these [here](#) if they of interest to you.

Education Noticeboard

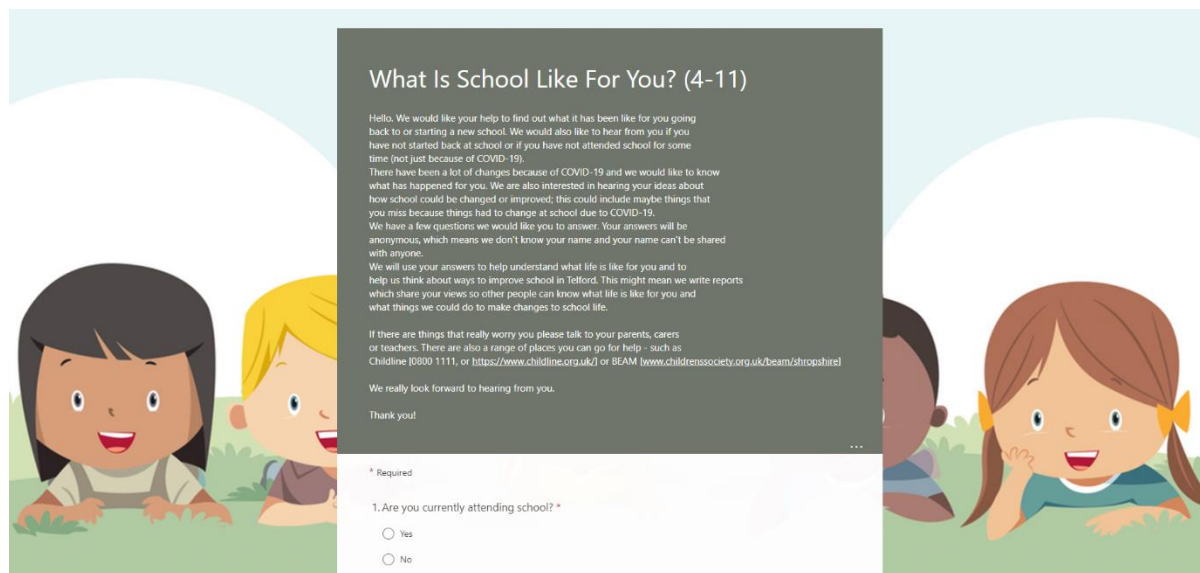

Return from Lockdown Pupil voice

Telford and Wrekin's Educational Psychology Service (EPS) have devised a pupil survey around issues relating to emotional health and wellbeing – it is now LIVE and has been shared on the Education Noticeboard. The EPS are inviting you to complete this at home with your children.

This is a great opportunity for them to talk about their thoughts and feelings around returning to school with the important people in their lives. It will only take 5-10 minutes to complete, and the information shared will be of direct benefit and relevance to all our children in Telford.

If your child is interested in completing the survey here is a direct link to the post on the Education Noticeboard, which contains links to the survey:

What Is School Like For You? (4-11)

Hello. We would like your help to find out what it has been like for you going back to or starting a new school. We would also like to hear from you if you have not started back at school or if you have not attended school for some time (not just because of COVID-19).

There have been a lot of changes because of COVID-19 and we would like to know what has happened for you. We are also interested in hearing your ideas about how school could be changed or improved; this could include maybe things that you miss because things had to change at school due to COVID-19.

We have a few questions we would like you to answer. Your answers will be anonymous, which means we don't know your name and your name can't be shared with anyone.

We will use your answers to help understand what life is like for you and to help us think about ways to improve school in Telford. This might mean we write reports which share your views so other people can know what life is like for you and what things we could do to make changes to school life.

If there are things that really worry you please talk to your parents, carers or teachers. There are also a range of places you can go for help – such as Childline (0800 1111), or <https://www.childline.org.uk/> or BEAM www.childrensociety.org.uk/beam/shropshire

We really look forward to hearing from you.

Thank you!
