NEWSLETTER

Friday 9th July 2021

Dear Parents,

I can't believe we are heading into the final week of term next week! Year 6 have had a wonderful time canoeing the River Severn, Year 4 have impressed me with their performance on the Ukulele and there has been a bit of excitement amongst the children on Thursday and Friday, with the Euros final on Sunday night!

You will have had a Parentmail today with a letter about new classes and reports. Your child will have a letter with them today with their new class teacher highlighted on it.

We have various messages, notices and goodbyes below in the newsletter this week.

I hope everyone enjoys the last week of term.

Best wishes,

Mark Davis

Head Teacher

UPDATES AND INFORMATION

Logistics:

We need to do some furniture moving next week in preparation for September.

From Wednesday afternoon, the current Year 5 will be based in the wooden building. They can be collected from outside that building at the end of the day Wednesday and dropped and collected there on Thursday and Friday.

Wrap around care will all be based in the main school building next year. Children who were being dropped off and collected from the wooden building need to be dropped off and collected from the Year 5 and 6 doors from Wednesday afternoon.

Non-uniform day:

Next Friday is non-uniform day. No charge.

Goodbyes next week:

We are saying some very sad goodbyes at the end of next week....

Miss Kelsey Badley, who has been teaching Year 2 for the last two years leaves us to take up a new teaching post at Lawley Academy.

Miss Katie Row, teaching assistant in Year 4, has been offered a very exciting opportunity in France, so will be moving across the channel, starting a new role and taking on a house renovation project!

Mr Callum Graybrook, our sports coach, will be leaving us to coach in another school.

We thank all of them for everything they have brought to us at St Peter's and wish them every success and happiness in their new roles.

Monday 12th July:

You may or may not be aware that there is a football match on Sunday night which is causing a little excitement for some families!

Should your child be watching the match we have decided to be a little more flexible on Monday morning and will keep our registers open until 10am so the children can sleep in a little later and not come to school tired. If your child arrives before 10am they will be marked present and not late, but they will need to be brought in through the school office as the gates will be secured at normal times. If your child arrives after 10am they will be late.

PLEASE NOTE THIS CANNOT APPLY TO YEAR 6 PUPILS WHO ARE GOING ON THE SCHOOL TRIP. YEAR 6 YOU WILL NEED TO BE AT SCHOOL BY 9AM AS NORMAL.

Reception Emails:

We have had technical difficulties with the Reception email account and we now have a new email address to contact Reception teachers.

This is the new email address: Reception.year@taw.org.uk

This replaces yearR.stpeters@taw.org.uk

This is an email only for learning needs- any other issues please either call school (01952 387980) or contact school on stpeters.bratton@taw.org.uk

Sunflower Competition:

Please send a photo showing the height to stpeterssunflowers@gmail.com by Tuesday 13th July.

Last week, SSCBB were invited to St Peter's School, Bratton and what a great reception we received from the children. And what a great fundraiser - they donated nearly £600!

Teacher, Emma, reported, "We had an amazing Blood Bikes day! The children were invited to come dressed in red for Blood Bikes in exchange for a contribution to the charity. The children learnt lots about the important role the volunteer Blood Bikers do and how they help children in our local community. Children were inspired to consider how they can give back to their communities when they grow up. The Blood Bikers put on fun and informative outdoor workshops for all of our children and warmly welcomed our families before and after school. The children especially loved sitting on the bikes!" And we loved meeting all of you too. #itswhatwedo

Online gaming safety:

Thank you to the parents who have completed our online safety questionnaire. If you haven't already, please complete [Online Safety Questionnaire for Parents. - Google Forms](#). This week we are looking at how to help your child use online games safely. Please look at <https://www.internetmatters.org/resources/online-gaming-advice/the-basics/> as this offers a lot of useful information including a guide to popular gaming slang and terminology.

Encouraging your child to play online games with the sound streaming through the TV or device, rather than using headphones, is a way of keeping tabs on communication. If you need further support or help with online gaming please let school know by emailing the year group account.

This week's lunchtime VIPs!
