NEWSLETTER

Friday 10th September 2021

Dear Parents,

Welcome back, I hope everyone has had a good summer break.

This is rather a brief newsletter to begin the year with. For those of you who are new to St Peter's Bratton, the newsletter is sent each Friday and we try and put information in here, rather than send it out in separate letters during the week.

I have been hugely impressed with how well all the children in school have settled back this week. Reception children had their first full day on Tuesday and have been brilliant. It has been great to come back to having playtime in larger groups, having assembly and lunch in the hall and the general greater freedoms we now have.

If you haven't followed us on Twitter, you can follow us @st_bratton. We do try and send out some pictures each week of some of the things that have been happening in school.

A couple of reminders please....

Nut products: Please don't send nut products into school, which includes things like Nutella dips, as we do have children with nut allergies in school.

Pick up: If someone other than who usually collects your child is going to collect them, we need to know in advance. Please either let us know on the door in the morning or phone the office and tell us.

I hope you all have a great weekend.
