

Subject: MFL- French

Year group: 5

Term: Summer 1

Unit name: School Life

Unit Overview

This 'School Life' unit will teach your class key vocabulary related to objects, subjects and prepositional language. There is a maths lesson which teaches children the names of 2D shapes. In the last two lessons of the unit, children will learn questions and answers which they would use at school. They will learn key phrases connected to the themes.

Key Objectives

- To listen and respond to topic vocabulary
- To answer questions orally using the topic vocabulary
- Answer questions in writing using the topic vocabulary
- Take part in conversation with a partner and show it to an audience
