Friday 2nd February 2024

Dear parents and carers

The penultimate week of this half term has been another exciting one St. Peter's Bratton. We have had Year 4 on their Virtual Museum Tour and many visitors to the school. Each of the visitors was highly complimentary about how respectful and polite the pupils are and I was exceptionally proud to be the Principal showing them around. I have also met with the Friends and we have organised some exciting events, you will even have a chance to see me in my quiz master role on 29th February.

Adults at home Survey

Thank you to those parents who have already responded to the adult at home survey, we currently have 106 responses. It has been very informative to read the comments at the end. For those of you who have not already responded it is chance for us as a school to capture your voice and then work in partnership

to address any concerns raised. It is not a requirement to provide your name and name/s of your children however, this will make it much easier to resolve anything highlighted. This is online, drop-down menus and has only 15 questions so it will not take very long (less than 10 minutes) but will have a huge impact. To take the survey click on the link below -

Parent survey link - <https://forms.gle/STh69ZdqGkuJddBm6>

The weather is supposed to be really lovely this weekend, so enjoy what you have planned.
See you all on Monday 😊

Mrs Welsh xx George and Teddy

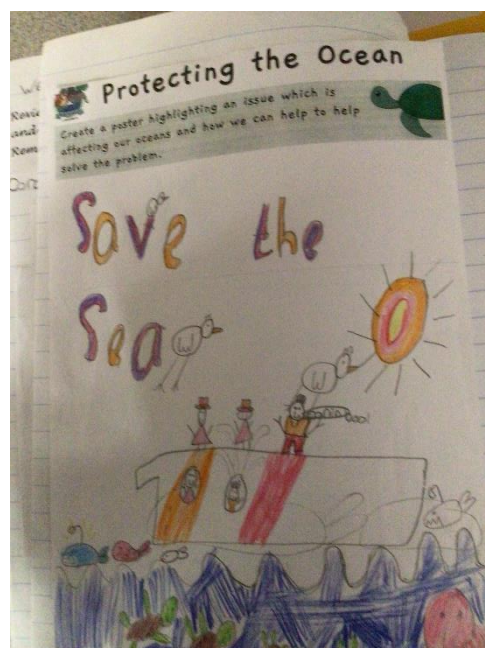

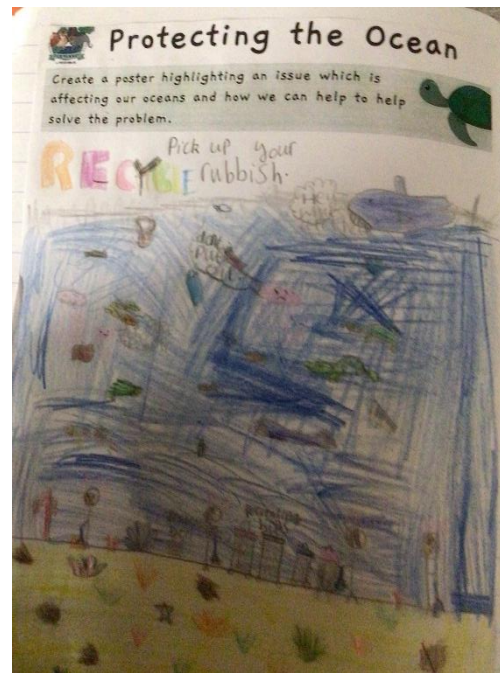

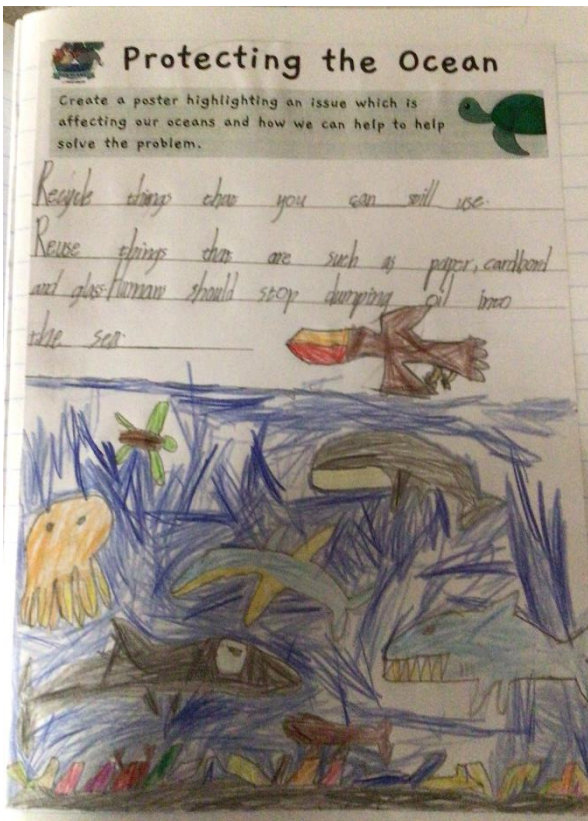

RE in Year 1

In R.E. this week we talked about the Bible and the stories it contains. We tried to list as many stories as we could remember such as Noah's Ark and Jonah and the big fish. Then we talked about miracles and shared the story of the five loaves and two fish from John 6 v 1-33. We acted out the story in small groups which was so much fun. Then to help us really think about the story we took part in hot-seating as Jesus, the disciples and the crowd of people. We asked lots of different questions. We then experienced different activities to re-create the scenes to understand more about the key elements of the story.

This term in Geography the children have been learning all about Oceans. They have different habitats and the marine life that live there. The children have also enjoyed learning about why our oceans are so important and how we can look after them for a cleaner and environmentally friendly future.

House points

This week	Caer Caradoc 532	Haughmond 476	Stiperstones 425	Wrekin 549
So far this term...	2542	2475	2340	2658

Weekly winners!

Well done, Wrekin!
