Friday 22nd March 2024

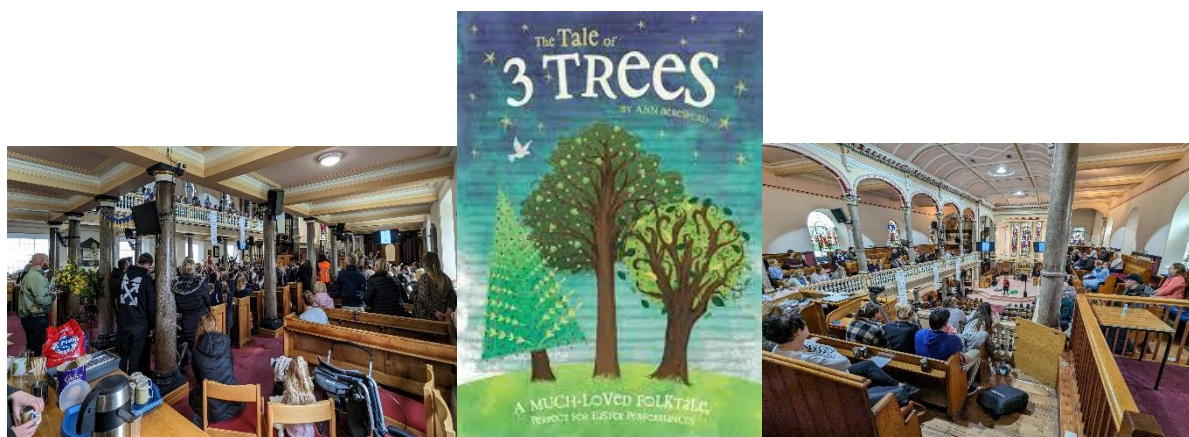

I cannot believe that we are at the end of my first term at St. Peter's Bratton and I have to admit that the saying, times flies when you're having fun is certainly true. It has been a privilege and a pleasure to take over as Principal and I want to thank you all for your kindness and support as we start our journey.

Easter Services

Yesterday was an exceptionally exciting day for our school as we all made our way to All Saints Church in Wellington for our Easter Services. Reception, Year 1 and 2 treated us to beautiful prayers, songs and created symbols of Easter which they shared. They even had the adults up dancing to their last song. KS2 treated us to the story of the Three Trees which was delivered so clearly with super acting. I have to say

that the singing was phenomenal. All pupils showed exceptional respect. I am always proud of St. Peter's pupils but these services brought this to a new level. Thank you to all the adults who came to support and the Friends for providing the much-appreciated refreshments.

Green Space Gym – Spring Clean Up

Thank you to all the adults who supported our green space clean-up day. Although it was a day of hard grafting, it was such a lovely opportunity to get to know parents, grandparents and members of the local community. I am sure you will agree that there has been a huge difference made already in that one day (half the pirate ship has gone). We have decided that this is something we would like to do once a month.

Our Easter Parade

This afternoon, we completed our term with an Easter Parade. Many children designed bonnets, created an Easter Garden or decorated an egg. Mr Stott (our new LAC member) and myself had an exceptionally difficult task of judging Well done to everyone for your hard work and creativity 😊

An Easter Prayer for us all

Whatever you are doing over the next two weeks, ensure that there is love, laughter and fun. I will miss you all and hope that you have an amazing Easter holiday. Looking forward to seeing you on Monday 8th April. Stay safe 😊

Phonics

Feedback from some learning conferences is that parents are sometimes unsure of the pronunciation of sounds when trying to support their child at home.

Please see below links to the pronunciation of each sound from phase 2,3 and 5. We use the ELS scheme, so the videos are in line with our teaching in school.

Phase 2: <https://www.youtube.com/watch?v=nBFnAcXHOUQ>

Phase 3: <https://www.youtube.com/watch?v=gDlnVjBUGC0>

Phase 5: <https://www.youtube.com/watch?v=8BwWD2ZlvBY>

For additional support please refer to the reading and phonics page on the school website. We hope this helps when supporting your child at home in preparation for the phonics check in June.

Thank you,

Year 1 team 😊

Reception (R01 & R02)

Growing

In literacy this half term we have really enjoyed reading, 'The Tiny Seed,' by Eric Carle.

The children have had great fun learning all about seeds, plants and growing this term.

Reception have been finding out about what seeds need to grow well and how to care for plants.

Children have explored different activities including role playing in our garden centre, planting beans, writing phonetically decodable sentences, labelling flowers and sharing their experiences of being gardeners.

YEAR 6

Last week we celebrated Science Week in school. We explored the question 'what can you do in 1 minute?'. Year 1 and year 6 paired up and they found out that year 6 children were slower at jumping than year 1s!

Yesterday, the children went to church to perform the story of 'The Three Little Trees' for their Easter Service. It was a lovely morning, and we were very proud of the children's acting and singing.

Happy Easter to you all from Year 6.

Wrap Around May Holiday Club!

Holiday club booking is open to book from **Friday 22nd March 6pm** and **closes on May 17th 6pm.**
