

Enriching Lives Everyday

English

Outcomes will include writing information labels, short explanations, landing logs and a news report. Children will also develop comprehension skills using a range of texts and learn spellings and spelling rules.

Maths

This half term we will continue to focus on the four operations and fractions.

Science-Space

We will be learning about the planets within our Solar System and how they orbit around the Sun which is a star. We will also be learning about the Moon and its movement around the Earth.

Religious Education

Our question is:
Was Jesus the Messiah?

Year 5 Autumn 2

'Enriching Lives' by connecting learning Space

Showcasing: TBC

Geography-South America

Will be learning about which countries are in South America, and the physical and human features of this continent. We will also be focusing on the similarities and differences between Chile and the U.K.

Design Technology

Our unit theme is Mechanical Systems- Pulleys or gears. Pupils will gain a basic understanding of electrical circuits, simple switches and components. Experience of cutting and joining techniques.

Physical Education (PE)

Hockey- we will work on tactics, dribbling, a range of passes and how to vary speed and direction.

Pilates- we will develop flexibility, strength, technique, control and balance.

Modern Foreign Language (French)

Music

Art-Typography and maps

We will be learning about typography design and will explore how to create our own fonts and designs.

PHSE

In PSHE, we will be learning about physical contact (including what physical touch is acceptable, unacceptable, wanted or unwanted in different situations) and feeling safe.
