

Enriching Lives Everyday

English
 We will be using picture books to support our learning of Sound and Systems.

Until I Met Dudley
 Writing a formal and an informal information text using this amusing text.

Listen: How Evelyn Glennie, a Deaf Girl, Changed Percussion
 Using this inspiring text to write a diary entry.

Science

Sound
 Identifying how sounds are made and investigating good amplifiers and insulators of sound.

Maths

Length and Perimeter
 Learning to convert between kilometres and metres, finding perimeters of shapes, working out missing lengths and finding solutions involving perimeter.

Fractions
 Exploring fractions that are greater than 1, converting between mixed numbers and improper fractions, identifying equivalent fractions and simplifying fractions.

Religious Education

Islam
 Understanding the significance of the five Pillars of Islam and reflecting on the sources of strength in their own lives.

Design and Technology (DT)

Electrical Systems
 Using simple circuits with a motor to create a buggy.

Modern Foreign Language (French)

Romans
 Learning to say key facts in French from this familiar period of history.

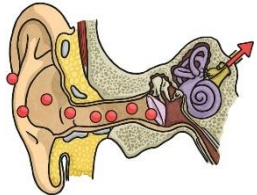

Music

Recorder Lessons
 Whole class instrumental lessons with a specialist music tutor.

Year 4 Spring 1

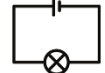

'Enriching Lives' by connecting learning about Sound and Systems

CIRCUIT DIAGRAMS

A simple circuit

Circuit diagram

Showcasing: 7th February 2025

Geography

Migration
 Learning about the different types of migration and about how migration affects people and places.

Physical Education (PE)

Swimming
 Learning to swim 25 metres confidently and competently, developing a range of strokes and developing water safety skills.

Football
 Developing an understanding of the attacking and defending principles of invasion games.

PHSE

Relationships - Respecting Ourselves and Others
 Learning about the importance of respecting the differences and similarities between people.
