Friday 4th July 2025

Dear families,

As we reach the last few weeks, we are still working on our learning and on Monday and Tuesday we had visitors in the school from the Trust. They were very impressed with all the changes that we have implemented over the year and how well the children could talk about their learning. As always, our behaviour expectations and school values were at the fore. You should all be very proud of your children. Year 5 enjoyed a visit to Blists Hill and had a wonderful time learning about life in the Victorian times. Year 6 have been taking part in level 1 and 2 Bikeability, I am so proud of many of them who were non riders on Monday and actually went on to complete their level 2. Today we are celebrating St. Peter' Day as a whole school which is a fabulous opportunity for us all to come together to celebrate and worship.

Christian Value

This week we have been thinking about Pentecost and making the links to our candle lighting at the start of each worship as we recognise that Holy Spirit is amongst us.

Transition

Today you will receive a letter regarding your child/ren's new class for September 2025. We have changed the class names to Bratton 1 – 14 (Bratton 1 – old RO1 etc). I apologise that this is so late but with deadlines and recruitment procedures we had to ensure that we are doing our due diligence. To ensure a smooth transition we have planned the following days:

- Monday – children will spend an hour with their new teacher in their new classroom and learning setting.
- Tuesday – children will enter through their new year group entrance and spend the morning with their new teacher, returning to class at 11:30am to support lunchtime plans.
- Wednesday – school will be opened from 3:30pm for you to have an opportunity to meet the new teacher.

School will also be providing Transition documents via email and on the school website that will have photographs etc to support those children who may need that additional element. These can be used as a social story over the holidays. If you feel that there is anything else we can do to support this transition, please get in touch.

Year 6 Church Service

As we are rapidly approaching the end of term, we are really sorry that our Year 6 children will be leaving us. To celebrate their time at St.Peter's Bratton we will be holding our Church Service at St Michaels and All Angels Church High Ercall 10am – 11am.

Work On School Site

Yesterday, I met with contractors and the Trust Concept Team regarding some essential maintenance that is required in school to upgrade our heating and water system. In order for this to be complete for the last week in August, the work outside school will commence on Monday 7th July. This will involve the area by the Wraparound gate being sectioned off. There will still be access to the gate as this is essential for our safeguarding. Can I please ask that when you are waiting to enter the gates in the morning or afternoon, that you stand on the road by the double gates. Also, can we please ensure that children stay away and do not try to engage in conversation with the workers. The good news that I haven't mentioned is that the Trust are funding this huge piece of work and I would like to thank them for this.

I cannot believe that we are going into our final two weeks. There are still so many things to do. Whatever your plans are for the weekend, make sure you have a wonderful time, and I will see you all on Monday.

We have enjoyed an amazing unit of work based on our local area. We have learnt about the history of Telford and the Ironbridge. We then designed a tile based on the Ironbridge while working in the style of Kandinsky. During our visit to Jackfield Tile Museum we transferred our designs onto the tile using carbon paper, tube lined over the design and then selected the correct colour glazes to match the design. We can't wait to see them when they have been fired in the kiln.

Our finished designs ready for firing...

History - An amazing Anglo-Saxon workshop

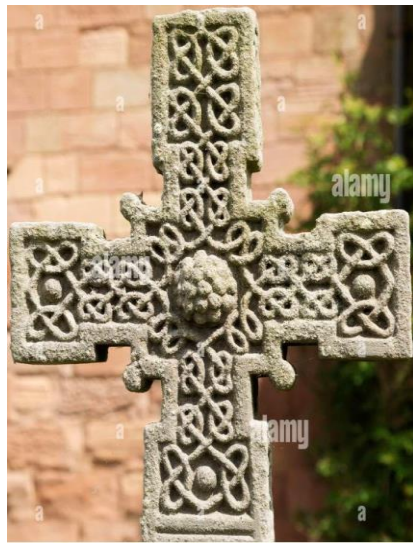

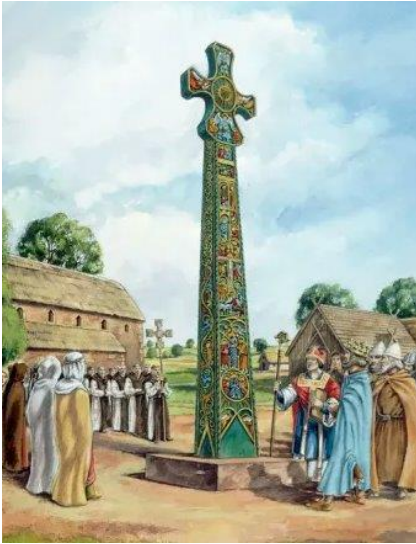

We recently enjoyed participating in an Anglo-Saxon workshop. Children enjoyed looking at artefacts, discussing evidence found to consider life as an Anglo-Saxon and making an Anglo-Saxon pot. Here are some pictures from the day.

Art - Anglo-Saxon patterns and design

We have been looking at Anglo-Saxon design and patterns used in tapestry, metal work and sculpture. In the next few weeks, we will be designing our own Anglo-Saxon cross. We will then sculpt our cross with patterns using salt dough.
