Special Educational Needs and Disability Policy 2024-2025

School Vision and Values

Enriching lives every day; enabling our school community to learn, achieve and flourish through living 'Life in all its fullness.'

Excellence Nurture Respect Integrity Compassion Hope

Introduction

St Peter's Bratton C of E Academy's Special Educational Needs and Disability (SEND) policy complies with the statutory requirement laid out in the SEND Code of Practice 2015 and the Children's and Families Act 2014.

We monitor the progress and attainment of all pupils. This is an ongoing process that enables early identification of pupils who may require adapted provision to be included in their curriculum offer. We believe in equal opportunities and strive to meet the needs of all our pupils. Please also see the school's Equality Objectives and Accessibility Plan. St. Peter's Bratton C of E Academy is an inclusive school where pupils with SEND are fully integrated into the community and its curriculum, recognising the strengths of every individual and including areas for development. We aim to ensure that these individual strengths contribute to the social, emotional, and Christian ethos of our Academy. Parents and carers are key members of our community and are encouraged to discuss any concerns with the class teacher, SENDCO (Assistant Principal), Principal, Vice Principal or Local Academy Committee (LAC) member for SEND as appropriate.

Admissions

Provision for pupils with SEND is a matter for the whole academy and we aim to cater for all primary areas of need; cognition and learning, communication and interaction, Social, Emotional and mental health and sensory and/or physical needs, wherever possible, in line with the SEND Code of Practice (2015). St. Peter's Bratton C of E Academy endeavour to ensure that appropriate provision is implemented to meet individual needs. We fully endorse our care of duty to any pupil with a physical disability where we may be required to make 'reasonable adjustments' (DFE 2015), to our setting in line with the current Disability Equality legislation for the pupil to fully access the curriculum. Pupils with SEND are fully included in the daily life of St. Peter's Bratton C of E Academy and are encouraged to join in all activities. If additional provision is required, the families are informed and involved in the process. Pupils with an EHCP (Education, Health and Care Plan) are admitted into school and fully integrated unless we could not meet the needs of the pupil or would be incompatible with the efficient education of other pupils, and there are no reasonable steps that can be taken to prevent the incompatibility.

Inclusion

At St. Peter's Bratton C of E Academy, we pride ourselves in being an inclusive setting with an early identification approach and strive to create a sense of community and belonging for every pupil. We uphold high expectations alongside suitable outcomes as part of our broad and balanced curriculum offer. Included in our offer is a pastoral team and specialist SEND practitioner.

Transfer arrangements

We have procedures to ensure a smooth transition for our pupils and their families. We encourage liaison between staff and ensure records contribute to the future planning for the benefit of the pupils. Transition from nursery to school is planned and prepared for by visits and professionals' meetings to ensure a settled start. Transition to secondary school for pupils with SEND is planned and prepared for over the summer term or earlier if required, with necessary arrangements made to suit the needs of the individual. Parents are informed of and involved in this where appropriate. At St. Peter's Bratton we understand the importance of establishing strong links with our feeder settings and the positive impact these have on the pupils' experiences.

Cluster Groups

All Telford and Wrekin schools are now included in Cluster Groups, offering integrated services to children and their families within that Cluster Group. St Peters Bratton C of E Academy is in the Wellington Cluster. This enables an integrated approach for families, where needs can be met by the services they require. Where necessary the needs of the pupil and family can be met through an Early Help Assessment (EHA). St. Peter's Bratton is also part of the St Chad's Community trust comprising of 19 primary settings where staff are supported with a wide range of networking and professional development opportunities, including inclusion meetings.

Management of SEND within the school

Parents and carers are kept informed of additional provision being provided for their child. Parents and carers will be invited to contribute to, and attend annual review meetings, review meetings with outside agencies and any other relevant meetings. Where a child with SEND has an APDR (Assess, Plan, Do, Review), these will be created in conjunction with parents and carers and the child where appropriate. Pupils who have an EHCP may take an active part in their annual review by offering their contribution and by sharing their work and views. Pupils who make insufficient progress are carefully monitored and will be provided with personalised and adapted learning through quality first teaching to help them progress. This information will be shared during termly parent consultations and additional parent meetings where appropriate. Borderline pupils are supported through targeted group intervention as part of our normal classroom offer. Our pupils will receive a broad and balanced curriculum. Access to the curriculum is therefore facilitated by whatever means necessary to ensure that success is achieved. All teachers take account of the inclusion statement in National Curriculum 2014:

'Teachers should set high expectations for every pupil. They should plan stretching work for pupils whose attainment is significantly above the expected standard. They have an even greater obligation to plan lessons for pupils who have low levels of prior attainment or come from disadvantaged backgrounds. Teachers should use appropriate assessment to set targets which are deliberately ambitious.' (4.1)

Co-ordination of SEND Provision

The SENDCO (Special Educational Needs and Disabilities Coordinator) for St Peters Bratton C of E Academy is **Emma Oakley**. Mrs Oakley has undertaken The National Award for SENCO's qualification through the University of Birmingham. Mrs Oakley is our Assistant Principal and a member of the Senior Leadership Team at St Peter's Bratton C of E academy and as such has an overview of all subjects and the priorities for pupils with SEND.

The SENDCO is responsible for:

- overseeing the day-to-day operation of the SEND policy
- co-ordinating provision for pupils with SEND
- ensuring there is liaison with parents and other professionals in respect of pupils with SEND
- advising and supporting practitioners in the school
- contributing to the continuous professional development of staff
- ensuring that appropriate education plans are in place, that relevant background information about pupils with SEND is collected, recorded, and updated
- liaising with parents and carers, external agencies such as Educational Psychology and Speech and Language Therapy
- Reviewing and updating the outcomes for SEND through the Academy Improvement Plan (AIP).

The role of the principal is

- To manage the budget for SEND provision with the support of the Finance Committee and the Senior Management Team
- To support the SENDCO
- To liaise with the authority and outside agencies in conjunction with the SENDCO

The role of the class teacher is

- To liaise with the SENDCO through regular meetings and on an individual basis
- To identify pupils requiring SEND support and report this along with evidence to the SENDCO. Liaise then with the SENDCO on next steps for the pupil
- To lead and plan high quality, adapted lessons that includes TA provision and direction
- To continually assess and review pupils' learning and progress, reporting this back to the SENDCO where necessary to inform planning and next steps
- To identify pupils requiring intervention strategies and to plan in collaboration with their team and sometimes the SENDCO, to assess the pupil's progress and liaise with and keep parents informed
- To prepare APDRs for all pupils identified as SEND and to share with other adults working with these pupils
- To review and update the APDRs of the pupils with SEND in their class regularly in collaboration with the SENDCO and parents

The role of the teaching assistant

- To provide learning and emotional support
- To liaise with the Class Teacher and the SENDCO through meetings and on an individual basis
- To differentiate planning and prepare resources alongside the class teacher
- To evaluate the learning that has taken place within the group and the progress the pupils have made, reporting this back to the teacher to inform planning and next steps
- To plan and prepare daily activities for the intervention strategies, to assess the pupil's progress and liaise with parents
- To be aware of the APDRs for all pupils with whom they work and contribute to the evaluation of those targets
- To develop their own knowledge and skills through continuing professional development
- To develop and inform the skills of their colleagues sharing their own specialisms
-

The role of the Local Academy Committee (LAC)

The designated LAC member for SEND at St. Peters Bratton C of E Academy is **Mr Nick Andrews**.

LAC members are involved in developing and monitoring the policy. They are kept up to date and knowledgeable about the provision, deployment of funding, equipment, and personnel resources. LAC members attend the relevant training in SEND and LAC member for SEND meets regularly with the SENDCO. The quality of SEND provision is continually monitored, evaluated, and reviewed. SEND provision is an integral part of the AIP

The Local Academy Committee should:

- Ensure that provision is made for pupils who have SEND
- Ensure that the SEND budget is appropriately managed
- Ensure that teachers are aware of the importance of identifying, and providing for, those pupils with SEND
- Consult the LA, St. Chad's Trust, and the LAC of other schools, when necessary or desirable, in the interests of co-ordinated special educational provision in the area as a whole
- Ensure that all pupils with SEND are fully included in the activities at St. Peters, as far as is practical.
- Report to parents on the implementation of the Academy's policy for pupils with SEND
- Have regard to the Code of Practice when carrying out its duties to pupils with SEND

Identification and Assessment

St Peter's Bratton C of E Academy is committed to the early identification and intervention of pupils who may have SEND, enabling an inclusive approach from the very start of a child's education. More detailed observations may be carried out in a variety of contexts as well as careful monitoring of the curriculum. We obtain information from families and any other records from previous schools the pupil may have attended. The Assess, Plan, Do, Review (APDR), process has been adopted by the school to closely link with the Code of Practice for SEND 2015. This enables the school to clearly evidence a graduated response that helps to track the cycles of provision in place for all our pupils with SEND and the impact these have had on the pupil's progress. The APDR process is reviewed regularly and the pupil, parents (and other professionals),

are involved in the process Further advice and professional support are sought and implemented as is considered necessary for the individual needs of the pupil. This would be discussed in collaboration with families and the pupil where appropriate and parents would give their consent before the school continues with any referral. All parties work in collaboration and are kept informed. In a few cases it may be necessary for the school to consider, in consultation with the parents and any outside agencies involved, whether a statutory assessment may be necessary. We use the LA guidance to help make any such decisions. If it is identified that the pupil's needs are severe and complex, an Education and Health Care Plan (EHCP) may be issued by the LA. This will address the pupil's needs as a whole and would include information regarding their academic progress and any health and welfare needs.

Other pupils

Pupils that fall under the following criteria would not be placed on the register of pupils with SEND solely for this reason. However, it may contribute to a barrier to learning requiring school to take more specific action to support the pupil due to their progress or attainment being affected. If this was the case, then school would look to put them on the register.

- Poor attendance and/or punctuality
- Health and welfare
- English as an additional language (EAL)
- Looked after child or a child in care (CIC)
- Child of serviceman/woman
- Those eligible to receive Pupil Premium Grant (PPG)

A pupil may also be identified in school as requiring some additional pastoral support. These children may be exhibiting some social, emotional, or mental health difficulties that teachers or SLT (Senior Leadership Team) have identified need further provision for. In any case these needs may be a new, existing, or long-term difficulty that have been heightened due to a change in circumstance. At St. Peters Bratton C of E Academy, we aim to meet the changing needs of our children and are continually developing Pastoral Support in our school, depending on the diverse needs of our pupils.

Process for exiting the register

All pupils are assessed in all areas of the curriculum but specifically for reading, writing and maths. The identification of a pupil needing to come off our register for pupils with SEND may fall within one or some of the following criteria:

- The pupil has sustained and made good or better progress and has closed the gap regarding age expected level for the subject they are registered for and is keeping in line with their peers
- Outside agencies have identified the pupil has made the progress required and is working at the expected age-related level for their initial need and they have recommended they be removed from the register as their input is no longer required. The school would need to agree with this and have the data to show the impact of the support
- The pupil has been part of an intervention group that has supported their need/s and as a result they are now working at the age-related expected level in the subject in-line with their peers. This may also include a pupil who has required support with social and emotional barriers to learning

that have been addressed through our Pastoral Support systems and as a result have been reintegrated into the classroom and are managing well

- A physical disability has changed or improved so the child can access the curriculum more independently and no longer requires the provision previously put in place

Every pupil is different and the decision to take them off the register for pupils with SEND is not taken lightly and much consideration is had to ensure the most effective support is in place. This decision would normally include all adults involved with the child i.e., the child, class teacher, SENDCO, external agency, child's parents or carers. However, the SENDCO makes the final decision.

Curriculum Entitlement

All pupils at St. Peter's Bratton C of E Academy are entitled to a broad, balanced, and relevant curriculum with our Christian centred ethos, including the National Curriculum. Progress is continually monitored using a range of assessments including

- observations/baseline assessment of early learning goals in the Early Years Curriculum
- age related expectations in the National Curriculum at the end of each term for the core subjects
- standardised tests
- on-going assessments in termly planning
- termly assessments in core subjects, some based on teacher assessment
-

All information gained is used to support planning to aid progress.

Resources

- A proportion of our budget is allocated for resources, which include identified materials for use to support pupils who need additional or adjusted activities
- The provision of additional support is made as appropriate from the delegated SEND budget
- We develop our resources to support children with SEND and this links with the priorities stated in the AIP
- Pupils with EHCPs in our school receive support according to the designated banding and a register is kept, which is updated regularly, of children at SEND support and EHCP. Staffing is allocated according to the needs of the children in each year group
- Wheelchair users can access the main classrooms and there are toilets for the disabled. Two disabled toilets have a changing bed in it

Online safety- Additional risks for pupils with SEND

At St. Peter's Bratton C of E Academy, we understand that pupils with SEND are vulnerable to and may be at greater risk online for the following reasons.

- They are more likely to believe what they are told
- They can be more trusting and may have greater belief in what they hear and see
- They can be less able to think critically about what they share online, and any consequences linked to online activity

- They may be less able to spot risky situations
- They may be less discriminating of theirs and others' behaviours online

All these points depend on the needs of the individual pupil and in some cases, not relevant to every pupil with SEND. These risks would be assessed on an individual child basis.

What we do to keep children with SEND safer online?

St. Peter's Bratton C of E Academy is an inclusive community. Therefore, we put the following measures in place to ensure our pupils access learning about online safety fairly and in varied ways with the aim to meet all needs of our pupils.

- A robust system for pupils with SEND that identifies needs and provisions for individual pupils
- Staff work with the Special Educational Needs and Disabilities Coordinator (SENDCo), to help provide alternative ways of learning and ensure varied needs can be met through our curriculum offer
- Adapted curriculum
- Safer internet day (annually)
- Regular revision of our E-Safety Policy
- Provide opportunities for staff training on how to keep children safe online, including those with SEND
- Consider any additional support/provision for those with SEND required when teaching online safety
- A designated lead for online safety

Supporting parents with online safety

At St Peter's Bratton C of E Academy, we support our parents in ensuring their children are safe online. This may include information sharing around our school curriculum, current and relevant topics involving online risks via our school website, Twitter feed or newsletter. We might also signpost parents to websites such as the following for further support.

<https://www.thinkuknow.co.uk/professionals/resources/>

Review of the policy

The SEND policy is subject to a regular cycle of monitoring evaluation and review and was created in conjunction with the Positive Behaviour, Health and Safety, Child Protection and Equal Opportunities Policies. All subject policies will also be linked by the inclusion of all children in the whole curriculum and a statement made about SEND in those policies. The SENDCO ensures that all appropriate records are kept and are available when needed. They are available for to see and can be a source of invaluable information for teachers in other classes or receiving schools. Each teacher has access to the files for

pupils with SEND and confidential records are kept in a lockable cupboard which is organised and kept by the SENDCO

Evaluation procedures

The Senior Leadership Team and LAC, will on an annual basis, consider and report on the effectiveness of the work and if any amendments to the SEND Policy need to be made. The information set out in the policy lay the foundation for the criteria by which we evaluate the success of our policy. We continually review and report on the effectiveness of the policy. This includes the numbers of pupils identified and their progress, the levels of parental involvement, materials and equipment used, resource allocation, liaison with other educational establishments, details of the staff's continual professional development and our priorities for the year. The SENDCO and subject leads monitor classroom practice, analyse pupil tracking data and identify value added data for pupils with SEND. SEND is part of our school self-evaluation arrangements and is a priority in the School's AIP (Academy Improvement Plan).

Parent and carer partnership

St Peter's Bratton C of E Academy acknowledge and value the importance and effectiveness of working collaboratively with the pupil's parents and carers when ensuring they receive the best possible provision and care in school. Parents and carers are notified if we have any concerns, and we are always willing to listen to issues brought forward for discussion. Information is shared with parents during informal conversations and individual meetings. They are invited to review meetings to discuss progress and to be involved in setting targets. Appropriate intervention strategies are used to help the child in school and at home. Parents and carers are encouraged to use the Parent Partnership Service (SENDIASS), for support and advice or to bring an appropriate relative or friend to meetings if they wish. We promote a culture of collaboration between parents and carers, schools, LAs and others. We respect the differing perspectives of all parties concerned with pupils with SEND and seek constructive ways of reconciling different viewpoints and endeavour to do our best for all pupils. If there are any concerns, we encourage those concerned to approach the class teacher in the first instance, the SENDCO, the Principal or LAC member SEND. We respect the differing needs of parents such as a disability or communication and language barriers and strive to accommodate these as much as possible. The academy is committed to involving parents whenever it is practically possible. This is a commitment to all parents but is especially important in the case of those whose pupils who are identified with SEND.

Pupil participation

Pupils, who can form views, have a right to receive information, to express an opinion and to have that opinion considered in any matters affecting them. The views of the pupil in school are given due weight according to their age, maturity and capability. Pupils participate where possible, in all the decision-making processes, including setting targets and contributing to their APDRs. We value their views about their own learning. Pupils can be involved in organising their own Annual Reviews.

Professional development for staff

We have regular staff meetings where SEND topics are discussed and training is given. These are related to specific concerns relevant to the needs identified or in ensuring that staff are kept up to date with information and legislation. Courses are attended in line with the Academy Improvement Plan and the

needs within school. The SENDCO attends relevant training and disseminates the details to all staff as is appropriate. Individuals can access training that is necessary for their professional development. There is an induction procedure for ECT's and new staff, to support them in managing the SEND Policy.

Support services available

Advice and support from outside agencies are available if requested by the school and identified in the budget provision. St. Peter's Bratton c of E Academy have links with various voluntary agencies that the school or parent can contact, and these are available as a support for parents when needed. We endeavour to signpost families to any service or agency that we believe may help their circumstances and believe that effective action on behalf of pupils with SEND depends upon close co-operation between the school and other professionals, e.g. the LA, SEND Support Services, Health and social Services.

Complaints procedure

Should parents feel the need to make a complaint regarding their child with SEND then we always encourage parents to approach the class teacher in the first instance and then the SENDCO with a view to resolve the complaint informally. Mrs Oakley can be contacted on 01952 387980 or via email:

stpetersbratton@taw.org.uk

Alternatively, please refer to our complaints policy which can be found on our website here.
