

READING

Gives You Wings!

In Reception we have been reading lots. We have discovered it really does give you wings... by reading **Zog and the Flying Doctors**. First we read and talked about the story. Next we have been doing drama outside acting out the story being fire breathing Zog or Princess Pearl. Then we have been writing sentences about Zog using our Phase 2 and Phase 3 phonics knowledge. In the role play area we have our Own St Peter's Doctor's Surgery where we have been also helping people get well. We have been dressing up as either a surgeon, doctor or a nurse. Some of us have had so much fun being the Receptionist writing down appointments for children.
