

English

We will be beginning our term with a story called "Honey and Trouble".

We will also be thinking about discussion and persuasive writing.

Computing

We will be learning how to access the computer network in school and have an introduction to basic coding

Science

We will be learning about seasonal changes and the animal kingdom.

History

We will be continuing our learning on change within living memory.

Maths

This term we will be adding and subtracting with numbers up to 20. We will be increasing our place value knowledge with numbers up to 50.

We will also be learning about length, height, weight and volume.

Spring term 2021

Year 1

Bratton Passport at home

Go on a wintry adventure

Explore on wheels

Borrow a book from a library (outside of school)

R.E

We will be learning about the good news that was bought by Jesus.

PSHE

We will be continuing to explore a wide range of topics in PSHE related to keeping ourselves safe and looking after each other.

We will also reiterate the importance of washing hands and being germ aware.

In addition we will be learning about our rights and how to stay healthy.

D&T

We will be learning about freestanding structures.

Geography

We will be learning about the seven continents.

Music

We will be exploring pitch and rhythm in our music lessons.

PE

We will be mastering a range of different movement and co-ordination techniques. We will be participating in team games.
