

Year 2

Summer Term 2021

English

This term we will be sharing stories and using these to inspire our writing. The stories which we are going to focus on are: The Bird and the Forest, Aladdin, and George's Marvellous

Science

Our first unit is about plants. We will be exploring parts of plants and how they grow. The second half term our focus is Human lifestyles. In this unit we will learn the correct names for parts of the body and about hygiene and living a healthy lifestyle.

Computing

We will be developing the children's knowledge on e-safety, so they understand how to stay safe on the internet, We will learn to take and manipulate photos. Then we will be learning to program Probots.

DT

In DT we are going to make animal puppets in our textile unit. We will look at existing products before we design, make and evaluate our own.

Music

Our music units is Musical Devices. We will be learning about melodies, sequencing a song, riffs and drone when creating music.

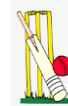

RE

In RE in this term we will be learning about Understanding Christianity. We will reflect on how God is like a loving parent and how Christians show their belief in God. We will then focus on the story of Creation, learning what happened on which days.

PE

In PE we will be focussing on cricket and Athletics. We will be encouraging the children to use their skills in competitive situations.

Art

In Art we will learn all about creating a collage based on the artwork of Frieda Kahlo. This work will link to our plants work in science and digital photography in computing.

Bratton Passport at Home

New this term we will asking you to complete three tasks with your child at home:
Buy something and check the change.
Walk to a local landmark.

Geography

In Geography we will be focusing on Oceans and Seas. We will learn to name the oceans, understand what lives in the oceans and how the oceans are different depending on where they are located. We will move on to consider how people are protecting the oceans and how we can help.

History

In history this term, we will be commemorating the life and work of Nelson Mandela. We will learn about who he was and what he wanted to achieve. We will think about what impact he had on the wider world.

Maths

We will be following Power Maths. Our units are: Position and direction, Problem solving and using efficient methods, Time and weight volume and temperature. We will also be spending some curriculum time on ensuring that children are confident with the Year 2 content.

PSHE and SMSC

In PSHE we will focus on 2 specific units: Physical health and well being including the NSPCC Pants campaign, and Growing and changing which looks at the human lifecycle. This unit includes parts of the body
