

English

We will be starting our English work by looking at the story of "Jack and the Beanstalk".

We will be learning about how stories are made interesting and how they can be changed.

Computing

We will be learning how to use a keyboard to create simple sentences.

Science

We will be learning about plants and sound.

History

We will be continuing our learning on change within living memory.

Maths

This term we will be learning about multiplication through counting in stages of 2s, 5s and 10s. We will then be making and sharing groups.

We will be learning about halves and quarters and numbers up to 100.

Summer term 2021

Year 1

Art

We will be colour mixing to create a colour wheel and exploring painting techniques.

Bratton Passport at home

Discover what is in a pond.

Roll down a hill.

Make a daisy chain.

R.E

We will be learning about Judaism and also the special books of different faiths.

PSHE

We will be learning about making sure we have healthy bodies, thinking about healthy food and exercise. We will also learn about keeping safe in the sun.

We will be talking about how we are all unique and special. We will also discuss feelings and how to cope when we feel sad or cross.

D&T

We will be exploring food and finding out about fruit and vegetables.

Geography

We will be learning about the oceans and seas.

Music

We will be learning about contrasts and musical devices.

PE

We will be mastering basic movements including running, jumping, throwing and catching.
