

English

We will be looking at two main narrative texts:
Class Two at the Zoo and Paddington at the Palace.
Additionally, we will be writing information texts
about animals and rhyming poems.

Geography

We will be carrying out a local scale study of our
school and local area.

Science

We will be finding out all about different animals,
including their diets and habitats.
We will also be continuing our learning about
seasonal change.

History

We will be studying kings and queens from the past
and making comparisons between them.

PSHE

We will be learning about how our behaviour
affects others. We will also explore how rules and
age restrictions keep us safe.

Spring term 2022

Year 1

Computing

Our main unit will be digital writing. We will also
spend time learning about e-safety.

D&T

We will be exploring and then creating freestanding
structures.

Bratton Passport at home

Go on a wintry adventure
Explore on wheels
Borrow a book from a library (outside of school)

Maths

This term we will begin by practising addition and
subtraction. Then we will be extending our
knowledge by working with numbers to 50. We will
also spend some time learning about measure.

Art

We will be using our sketching skills to draw spirals
and feathers and then moving on to making
sculptural birds.

R.E

We will be learning about some special stories from
different religions and also discussing questions that
puzzle us.

Music

We will be learning about rhythm and pulse and
then creating our own compositions.

PE

In outdoor P.E. we will be working on our ball skills
and sending and receiving.
In indoor P.E. we will be focusing on fitness and
gymnastics.
