Friday 3rd May 2024

We have had another successful week at St. Peter's Bratton with lots of learning and activities outside of school.

Telford and Wrekin Swimming Gala

On Monday evening, a team of Year 5 and 6 swimmers entered the Telford and Wrekin swimming Gala at Wellington Swimming Pool. I was so proud of how each pupil rose to the challenge and showed our Christian value of Excellence. We were exceptionally pleased to be awarded 3rd place in the larger schools section. Thank you to all the parents who ensured that the children were able to attend this (sorry that you were not able to spectate). A special thank you to Miss Claire Wigley-Smith for her poolside support and expertise. Also thank you to Mr Smart and Mr Wilkes for supporting the team. We are delighted to announce that Jess and Evie have been selected to represent Telford and Wrekin at the Shropshire heats. Well done 🥉

Safeguarding Squad

I met with the Safeguarding Squad yesterday and have set them a mission. Please see below. I look forward to them sharing their ideas with myself and then us sharing our plan with you all.

Safeguarding Squad

Collect data and ideas to support these questions and help me decide how to make playtimes better and safer. Present these to me at a secret place (to be confirmed) on 10.05.24 at 2pm. Mrs Welsh 😊

Things to think about

Do you think pupils would like to have access to other playgrounds?

Would the pupils like a calm area like Year 5/6 playground to go to at break and lunch?

How can we ensure that all pupils will feel safe if this happens?

How are we going to make the toilets safer at break and lunchtime?

Practice SATs Day

On Wednesday, Year 6 had a run through of the systems and procedures for SATs to support those children who may have been feeling a little anxious. The day started with a breakfast in the hall, feedback from the pupils is that it was amazing and they thoroughly enjoyed it. The rest of the practice went exceptionally well. We know that these assessments are statutory but do not measure how kind, respectful and articulate our children are. Thank you - Mrs Oakley, Miss Richardson, Mr Wilkes and Mrs Harris for supporting with the breakfast 😊

Bank Holiday Weekend

Don't forget (as if you would), that we are not at school on Monday as it is Bank Holiday Weekend. Have the best time doing whatever it is you choose to do. Stay safe and I will see you all on Tuesday 7th May.

Mrs Welsh xx 😊

Healthy Eating

This week Reception have enjoyed learning all about healthy eating.

Fruit and vegetable printing

Investigating the process from field to fork.

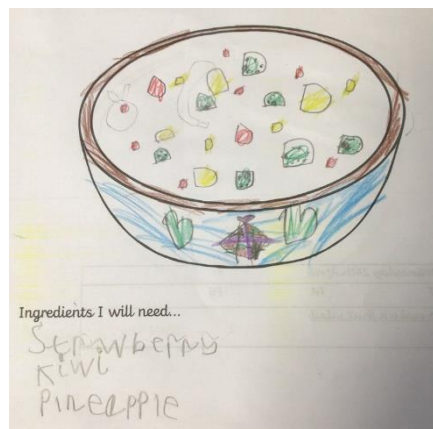

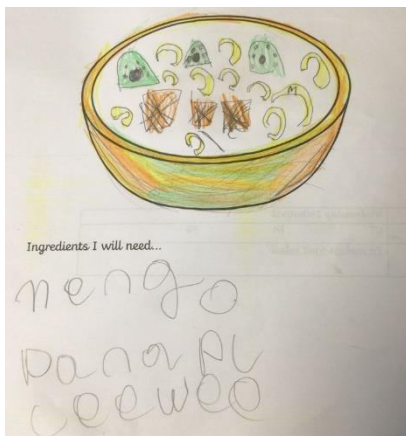

D&T in year one

Year one have been designing and making our very own fruit salads.

We started off with tasting lots of delicious fruits to see which ones we wanted to add to our ingredients list. Some of the fruits we really enjoyed and some were not our favourites.

After our fruit tasting we began designing our product.

Later on we practised our cutting skills using play dough to make sure we knew how to hold our knife safely.

We really enjoyed making and eating our fruit salads. We evaluated them once we had finished to discuss what we would change next time.

We are looking forward to helping to make some fruit salads at home.
