Friday 23rd May 2024

I can't believe that we are at the end of our first summer half term. It has been a very busy but enjoyable one with lots of events happening inside and outside school. Year 4 have had an amazing trip to Enginuity and some of our Year 3 and 4 pupils have had a wonderful time at Telford College representing the school at a golf competition.

Year 4 Multiplication Times Tables Check

The Year 4 Multiplication Tables Check will take place between 3rd – 16th June. The Year 4 pupils have been working exceptionally hard on their tables knowledge and the speed at which they can recall these.

Can we please ask that you ensure that Year 4 pupils attend (we expect all pupils to attend everyday 😊) in order to support them with this process.

For further information and linked activities click on the link -

Classes Next Year – Transition

I have been approached by some parents asking about classes for next year. In the teaching profession, teachers have up until 31st May to hand in their letter of resignation. After this date we can have a definitive idea regarding staffing.

School reports will be available 28th June which will have new class and staff details. Mrs Oakley and the teaching staff are going to provide transition documents to support pupils with this process.

Most local Secondary Schools are holding their Transition Days on 1st and 2nd July. We will also be having our new Reception pupils in school on these days.

We have planned two days to support Transition for the rest of our pupils across the school –1st July, pupils will spend an hour with their new teacher and 2nd July, they will have a chance to enter through their new classroom door and spend the morning in their new class (including break time). School can then support with any further transition that may be required.

Support From St. Christophers

In addition to our visits from 'Open the Book', we are going start something wonderful after half term to support our pupils. Sharon Johnson will be visiting school every Monday at lunchtime and will be based in the Hive. She will support pupils with their spiritual growth. As this is a new venture, we do not yet have a name for this and would like the

children to think of what they would like this to be called. It is up to individual pupils if they would like to participate in this. I know that Sharon is very excited to come in and surround our children with God's love. Thank you St. Christophers, for funding this.

Colour Run

We were so disappointed that we had to cancel our Colour Run yesterday but obviously due to the heavy downpour, it was not safe. We have rescheduled for Friday 7th June (same timings) and hope that the sun will be shining. 😊

Little Gannets – Frittata Party

We had a lovely Frittata Party after school on Tuesday during which time the pupils were able to share their final cooking experience with their parents who were very impressed. One parent was amazed at how her child was trying food he would never have eaten before and another asked if we could open a cafe to cook tea every night. Thank you Emma, for all your hard work and dedication to this club. The pupils (and I) have absolutely loved this and the children have tried so many different healthy foods. Thank you to all the parents who could join us as well, it was so lovely. A special to Mr Wilkes who helped out with the party.

Keeping Safe

On Wednesday, the whole school carried out their yearly practise if something should happen outside on the school grounds. Everyone was very safe and sat in the open areas of the school – they even had time to listen to a story. Well done everyone 😊

Goodbye and Good Luck Mrs Precey

Today we said Goodbye and Good luck to Mrs Precey. Over the past few years, she has made a huge impression on many pupils and helped and supported them in a variety of ways. She is the epitome of our school vision –Enriching Lives Everyday. You will be sadly missed by both the pupils and the staff. Enjoy your travels and don't forget that you are welcome back anytime.

Off on Maternity Leave

The whole school and school community would like to wish Mrs McKim best wishes for her maternity leave. Baby McKim is too excited to join us, so Mrs McKim will not be returning after half term, a little earlier than we had first planned. We can't wait for Mrs McKim to come back and bring her baby girl to visit. Mrs Jabeen (Reception parents have already been notified) will be taking over Mrs McKim's class until the end of the Summer Term.

Our superstar pupils we are proud of

Delia, from 6O2 and Elwyn, from 3G2, took part in the Wellington Community production of 'Children of Eden' recently. Delia performed and sang and Elwyn helped with the performance, behind the scenes! Well done to both of you!

Don't forget that Principal Awards will be posted out over the half term. It's been exceptionally tricky as all our pupils are so fabulous.

Have a fabulous weekend

Mrs Welsh xx 😊

BRATTON'S GOT TALENT

We are hosting our first Bratton's Got Talent. Sign up sheets will be put in classrooms so that your children will have the opportunity to enter. There will be auditions in school time and your child's year group will vote as to which 4 children go through to the final. You will be able to buy tickets to come and watch your child in the final on June 27th. We will have special guest judges and an appearance from "Ant and Dec"!

You have to be signed up by Tuesday 4th June. Good Luck xx

School Council- Rahee, Lilly, William and Harry

RO1 & RO2

Maths Problem Solving Week

This week in maths, Reception have been exploring and developing their awareness of patterns. Patterns help children to notice and understand mathematical relationships.

RO1 and RO2 have made patterns with multi-link cubes, small toys, Numicon, buttons and outdoor materials like pine cones, leaves and large blocks. Children have really enjoyed finding AB, ABB, ABBC patterns this week.

Super work Reception!

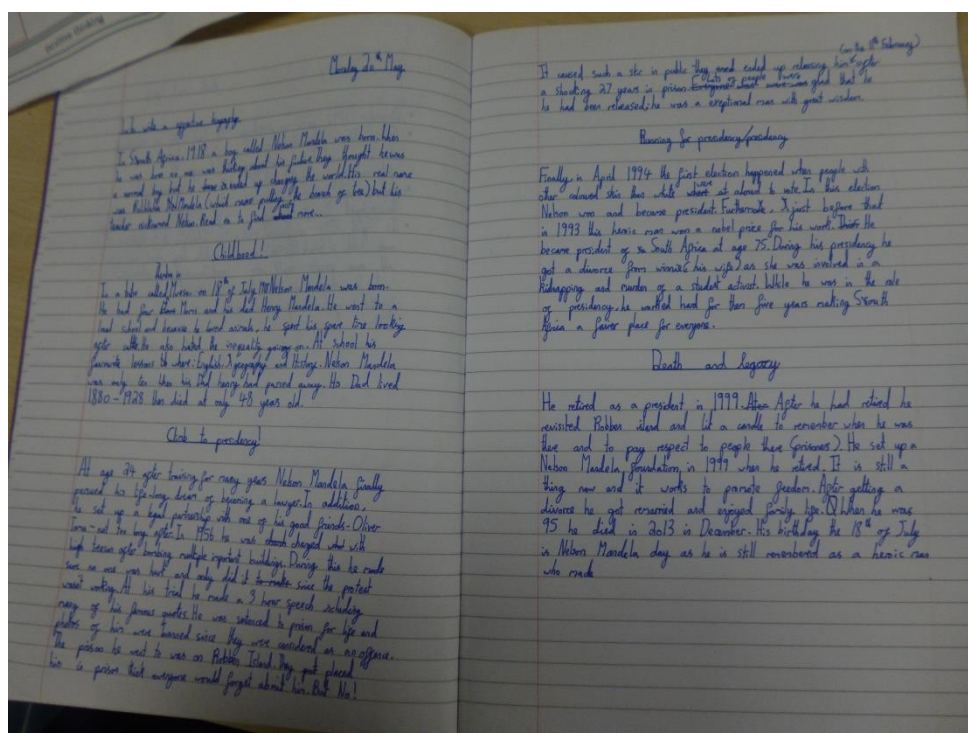

Year 6 news

After a busy week of SATS last week, the year 6s enjoyed a disco or film on Friday afternoon. As you can see from the photos, they had lots of fun! Thank you so much to the Friends of St Peter's for organising this.

This week we have been back to normal lessons and in English we have been writing biographies of Nelson Mandela. We have been trying to include the whole range of Year 6 writing skills.

GOLFWAY Y 3/4

On Wednesday a team of Y3/4 children attended a Golfway Competition.

They completed several different courses learning how to play golf with a competition after each practise.

They worked excellently as a team to gain as many points as possible for St Peter's

They collected enough points to earn themselves a **GOLD** medal!!

Huge congratulations to our team of St Peter's representatives!

Wraparound

Summer holiday club is open to book from Friday 24th May at 6pm and closes on July 12th at 6pm.

We are open the following weeks –

- 22nd-26th July
- 29th July-2nd August
- 5th – 9th August
- 12th - 16th August

We are open at 8:30am-4:30pm each day.

The cost per session is £25.

Once booked then sessions need to be paid for prior to the child attending club.

Children will need to be provided with a piece of fruit or cereal bar for morning snack, a packed lunch for lunchtime and a small afternoon snack.

All food that is brought in must not contain nuts!

Children are welcome to bring in scooters and bikes with helmets to play on outside or a small toy to play with inside during free play.

We do not allow electronic devices.

Wraparound Term Dates

The next set of dates for Wraparound will be available to book from Friday 24th May at 6pm, all dates must be booked 48hrs prior to the date needed and there is a 7-day cancellation notice.

We will also welcome back Georgie from maternity leave after May half term.

Messy Church

St. Peter's Church is hosting its next Messy Church in the Village Hall in Wrockwardine on Sunday 26th May 2024 @ 4.00pm. It is exactly what it says on the tin. We have crafts, worship, stories, games, food and fun. It will be finished at 5.30pm after we have eaten together. No charge and all welcome. It isn't just for children, it is intergenerational and for everyone.
