# **NEWSLETTER**

Friday 4th October 2024

This week has gone by so quickly at St. Peter's Bratton. This week in Collective Worship, we have been focusing on how we can look after our precious environment and be generous with our time to do so. It was lovely having Rev Olivia visiting on Thursday. We have had a lot of other visitors who have been so impressed with our children. I've also had lots of children bring me their amazing learning which I absolutely love ②.

Worship Council and Bees Abroad

GHANA KENYA NIGERIA TANZANIA UGANDA

#### Home - Bees Abroad

We had the fabulous launch of our Bees Abroad this afternoon. During this time Simon Irvin, a lecturer from Harper Adams and a highly acclaimed Bee Keeper, spent the afternoon in conjunction with Miss Crossland, educating pupils and staff about the importance of bees. Thank you, Miss Crossland (and your Fiancé Simon), for everything you have done to sort this project which will not only impact on the lives of the children from our school but across the world. This was the first role of responsibility for our new Worship Council.

**Meet our new Worship Council** 

Elisa, Joss, Nimrith, Seb, Will, Andrea, Nimrit, Jeevan, Emily, Charlie, Louis, Klaudia

#### **New Chair of Local Academy Committee (LAC)**

On Monday, I met with the LAC, during this time we voted in a new Chair, Mr Nick Andrews, who is the Principal at Dawley Academy. This will be the person that you need to contact if you have any issues regarding safeguarding or complaints as per the policies. He can be contacted at <a href="mailto:nick.andrews@taw.org.uk">nick.andrews@taw.org.uk</a>.

We are looking for a parent LAC member to join our team. This would involve six meetings throughout the year (after school 3:45 – 4:45pm Mondays) and other opportunities to come into school. If you are interested, please submit a letter either by email (<a href="mailto:stpetersbratton@taw.org.uk">stpetersbratton@taw.org.uk</a>) or hand delivered to our main office FOA Mrs Welsh stating the impact you would make and your skillset. The closing date is Friday 18th October, 2024. If there are several applicants, we will set up a parental vote.

#### **Learning Conferences**

We all know that home school communication is vital, plus it is lovely as a parent to be able to see the first stages of learning in the current year. Today, we have sent out a letter (via Parent Mail) with the dates and timings available for our Learning Conferences (parent consultation about teaching and learning). During this time, you will have the opportunity to look at books and discuss how your child/ren have settled in. Please complete and return by 9<sup>th</sup> October. If a reply is not received, we will

allocate a day and time. Refreshments will be provided - thank you Friends PTA for providing refreshments.

#### Pupils we are very proud of

Last weekend Phoebe competed at the Martial Arts GB Grand Slam in Birmingham. She entered two points fighting categories and came out with a Silver and finally, a much wished for GOLD

Pheobe won her gold medal in her age, weight and skill category and then fought up a skill category and won a Silver.

We and her parents are so proud of how she's developing confidence, skill and determination through everything she's doing in her sports.

### Car Boot Sale

Don't forget that we are holding our first Car Boot Sale of the Year. This is a great opportunity to purchase pre-loved items and reduce landfill. This opens at 9am and was well supported not only by the school but also the local community. Spread the word, there are bargains waiting to be had and of course refreshments will be served. Thank you to the Friends PTA, an early start.

Have a fabulous weekend, I hear a lot of pumpkin picking is happening and I will see you all on Monday.

Mrs Welsh 🕲

#### **Dudley Zoo**

Last week we went on our trip to Dudley Zoo. The children enjoyed learning all about the animals from our theme. We learnt all about the features of the animals and how they are adapted to live in their environments. The children got up close and personal with different animal artifacts, and we fed the meerkats! Now we are using the facts we found out in our science lesson until half term.

#### **English**

We have started our new unit The Journey Home. We have enjoyed reading the story and learning about the animals who face extinction. We have written letters to the Natural History Museum to find out more information about the mysterious animal who left footprints in our classroom over the weekend, the dodo!

Art

The children have been learning all about two artists, David McEown, who captures Arctic landscapes using water colours and John Dyer who travelled to the Amazon rainforest to paint with the Yawanawa tribe.

This week year 2 have been creating their own artwork inspired by our artists.

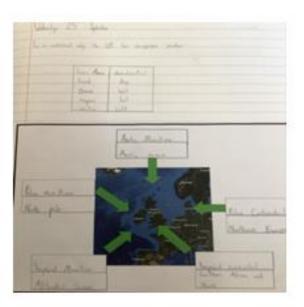

## Year 3—Newsletter

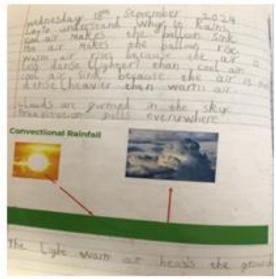

Year 3 have been continuing with their art topic, preparing for a gallery opening towards the end of term ..... Watch this space! The art is based on the use of charcoal and chalk. We have linked this to our science which is a study of light and dark.

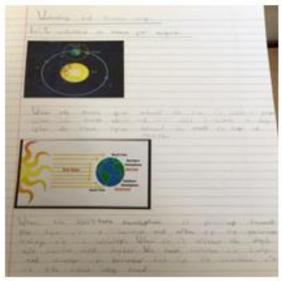

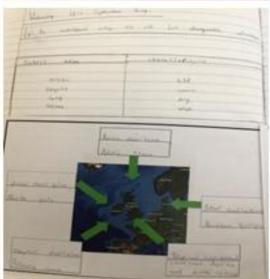

Look at how our linked Geography work is going! We have been learning about why we have changeable weather and why we have seasons. We had some very dizzy children in the class pretending to be the Earth orbiting the Sun while spinning on its axis to!

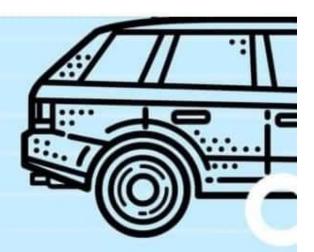

#### **Wraparound**

- October Half Term booking closes on Monday 14<sup>th</sup> October at 6pm.
- Please, when leaving after school club, could you walk along the pedestrian walkway and not the car park. This is for both your and your child's safety.
