

Enriching Lives Everyday

English

We will be exploring the books, 'The Last Wild' by Piers Torday and 'Can we Save the tiger?' By Martin Jenkins and Vicky White as a stimulus for our writing. Children will also develop comprehension skills using a range of texts and learn spellings and spelling rules.

Maths

This half term we will look at ratio and proportion, algebra, decimals and percentages before moving on to perimeter, area and volume.

Science

We will be looking at the evolution and inheritance with the focus being on how animals have been adapted to their surroundings and how they have evolved over time.

Religious Education

Our key questions is:
Words of Wisdom: What can we learn from Sikhs, Muslims and Christians?

Year 6 Spring 1

Evolution and Inheritance

'Enriching Lives' by connecting learning

Visit to: Charles Darwin Trail, Shrewsbury
When: 12th February 2025 (Darwin's Birthday)
Showcasing: Assembly

Physical Education (PE)

Basketball
Fitness

PSHE

We will be continuing our work on managing pressure and understanding consent in different situations.
We will also be looking at this in terms of online safety.

Computing

Our focus will be MicroBits, how to use them, programming them to test a programme and understanding how conditional statements modify programmes.

Modern Foreign Language (French)

Healthy lifestyle

Music

Our focus is the song 'You've got a friend in me' and we will build up to composing a simple melody and improvising using glockenspiels.

Art

We will explore identity in art and create imagery using aspects of one image using layers and juxtaposition.
