Friday 16th May 2025

Dear families,

It has been a glorious week at St. Peter's Bratton, not only with the sunshine but also all the wonderful things that have been happening. Year 1 have had an amazing time in Squirrel School working on their art project; Year 6 have completed their SATs, Year 2 have been working on their SATs too and Reception are off on a trip to the Shropshire Hills today.

Christian Value

This week we continued with our value of compassion and were thinking about how to clothe ourselves in compassion.

A Prayer for Compassion

Lord Jesus,

During your life on earth, you showed compassion and kindness to so many people who were suffering and unhappy.

Thank you for the people who have shown compassion and kindness to others to us and given us the courage to keep going when things are tough.

You also pray today for Year 6 not only in our school but across our family of St. Chads. Watch over them and clothe them with compassion.

Amen

We are so excited to finally receive our SIAMS Inspection date so we can share all the wonderful things that we do at St. Peter's Bratton. This has been changed to Thursday 22nd May. During the day, the inspector will be meeting with children, parents, staff, LAC and the Trust. Thank you to the parents who have agreed to meet. I look forward to sharing our report when we receive it.

Year 6 SATs

To say that I am proud of Year 6 is an understatement. During the SATs papers every child lived our Christian values and gave their all, right to the bitter end of every test. Year 6 parents you should be exceptionally proud of your children. I am told by the year 6 children that the breakfast (SATs Café) helped a lot. I need to say a huge thank you to Miss Richardson, Mr Wilkes, Mrs Oakley, Miss McCunnin, Miss Russell, Mrs Lewis and Mrs Harris for all their hard work and effort to make this so successful. I think there were a few conversations about a change in career 😊 Thank you to the staff members who supported the Year 6 children during the papers. A special thank you to the Friends PTA for providing the 'Surprise Disco' and refreshments on Thursday afternoon.

Technology Letter

Thank you for all the responses that I have received regarding the letter I sent out last week. I have been humbled by your response. Now that Year 6 SATs are over, I will be able to focus on this and get in touch with all those people who have kindly offered their services.

Colour Run

Last Friday there was a fabulous community feeling during our Colour Run. It was so lovely to see so many families participating. A huge thank you to the Friends PTA for all their hard work setting this up. Thank you to everyone who participated and collected sponsorship. My legs and stomach muscles have just about recovered.

Pupils We Are Proud Of

Noah Supporting at the Foodbank

This is what Noah likes to do of a weekend or any spare time he has over half term. He helps his Nan at the local food bank with handling and packaging up food for people who need it. He also loves chatting with anyone and everyone and gets lots of comments on how friendly he is. Well done Noah a true agent of change!

Rowan Earns His White Belt

Rowan has earned his White Stripe belt at kickboxing recently 🥳 If you would like to try this there is flyer to help. We are very proud Rowan.

Have a fantastic weekend and I will see you all next Monday for our last week of Summer 1 term.

Mrs Welsh 🥰

Year 5

As the year 6 pupils were completing their SATS this week, as a year 5 we had to be adaptable and move into the hall during the assessments. We are so proud of how well our year 5 children conducted themselves during this time, always showing the school rules of 'ready, respectful and safe' and being role-models for behaviour and learning.

PE

In PE this term, we have been improving our tennis skills. Using an underarm serve, we have been rallying and then taking part in matches, using tennis vocabulary such as 'love' and 'deuce'. The children have been thoroughly enjoying their learning this term.

We have also been learning skills in netball this term, focusing on the rules of the game and our footwork. Our games have been a chance for us to display our skills and work as a team to achieve a goal.

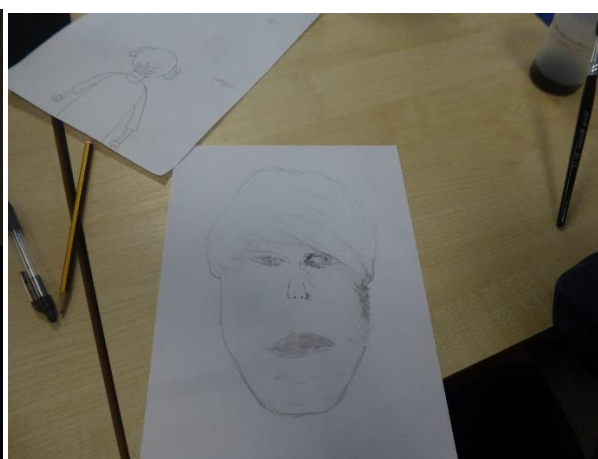

Year 6

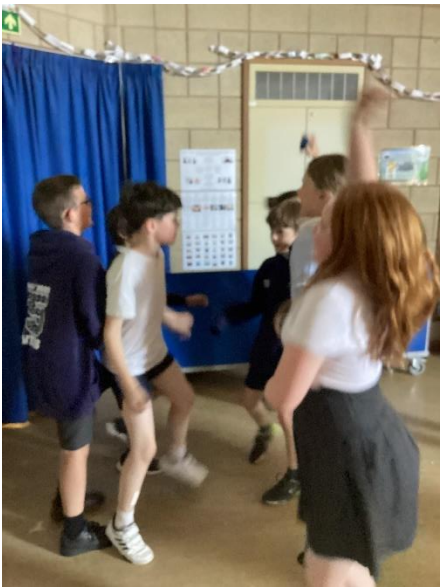

During this week the Year 6 children have shown amazing perseverance, dedication and maturity in completing their Sats. All adults in school are so proud of their efforts and their desire to do their best.

After our final Maths test today, we really enjoyed continuing with our portraits work in Art, where we have been inspired by Mike Barrat, an artist, a digital creator and photographer,

who has focussed on creating layered artwork. We are going to work in his style to try to create our own self-portraits. Our first task was to create self-portraits and begin layering them; we will bring them to life today when we include a background.

On Thursday afternoon, the children also had a lovely time at a surprise disco which The Friends of St Peter's had organised. They were all so appreciative that this had been organised for them; it was a fitting end to our last day of Sats.
