

NEWSLETTER

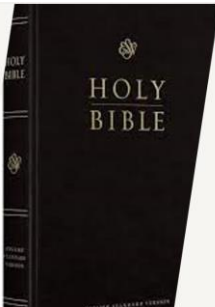

I can't believe we are already at the end of Week 4. It has been another busy and successful week in school.

This week, we welcomed visitors who have been working with our Reception, Year 1 and Year 2 children to support their speaking and listening skills. They were incredibly complimentary about the children's engagement and, in particular, their behaviour and the behaviour of all the children across the school.

A real highlight of the week was our Plod for Play event. It was wonderful to see the children taking part with such enthusiasm, while also demonstrating our school values of being Ready, Respectful and Safe throughout the walk. Unfortunately, we didn't have time to celebrate our Bright Stars this week, but we look forward to recognising their achievements on Monday.

Christian Values

This week, we have been reflecting on what it means to be generous, especially when it is not easy. In worship, we explored the story of Joseph and how he chose to forgive his brothers and share what he had with them when they were in need. The children considered how showing kindness, forgiveness and generosity can make a real difference to others, even in difficult situations.

Joseph forgives his brothers.

Genesis 45

Time to reflect

How are you going to be generous like Joseph this week?

Dear God,

Thank You for Joseph and the generosity he showed to his brothers. Even when they had not always been kind to him, Joseph chose to forgive, help, and care for them.

Please help us to be generous with our time, our words, and the things we have. Help us to forgive others, show kindness, and share with those around us.

Amen. 🙏

Safeguarding – AI

You may be aware that concerns around the use of artificial intelligence and online images have been featured regularly in the news in recent months. As a result, we have reviewed how photographs are shared through our newsletter.

To help protect the privacy and digital safety of our pupils, the version of the newsletter published on the school website will no longer include photographs of children. This is a precautionary measure to reduce the risk of images being copied or used in ways beyond the school's control.

Parents and carers will continue to receive the full newsletter, including photographs, via ParentMail. As this is shared through a secure platform with restricted access, it remains an appropriate way for us to celebrate and share the children's achievements and experiences.

We hope this strikes the right balance between celebrating school life and safeguarding our pupils' online presence. Thank you for your understanding and continued support.

Plod For Play

Our Plod for Play event was a wonderful success and a fantastic way to bring our school community together. The children showed great enthusiasm, determination and encouragement towards one another throughout the event, and they were a credit to the school.

We are incredibly grateful for the support of parents, family members and staff who helped make the event such an enjoyable experience. Events like these are only possible because of the support we receive from our wider school community.

A special thank you goes to the Friends of St Peter's PTA for all their hard work in organising the event. Their time, effort and commitment are greatly appreciated.

We look forward to using the funds raised to purchase new equipment that will support positive, active and enjoyable playtimes for all children at St Peter's Bratton.

Pupils We Are Proud Of

Our Year 4 'Famous Five' girls (Amelia, Evelyn, Florence, Mia & Sienna) have been crafting and baking again! This time they have raised **£73** which they have decided to donate to the Severn Hospice. Well done girls 😊

Edie and Millie have been very hard at work crafting and took part in the Young Makers Market at Admaston House, learning valuable skills. Well done 😊

School Lunch

Why not give school dinners a try? Our school dinners are a convenient choice for busy families and give children the opportunity to enjoy a meal with their friends during the school day. If your child usually brings a packed lunch, why not encourage them to try a school dinner? The link for the menu is below and you will find a copy on our website.

Allergies

Please remember that we are a nut-free school because some children have allergies. We kindly ask parents to check lunches and snacks and avoid sending any products containing nuts into school. Thank you for your understanding and continued support.

School Menu

On Thursday 1st October we have a burger and hot dog day. There will be vegetarian and vegan options available.

As we come to the end of another full and eventful week, I am sure many of us are looking forward to a slower pace over the weekend. It has been wonderful to see so much enthusiasm, effort and positivity from the children, whether in the classroom, during Plod for Play or through the many other opportunities the week has brought.

A heartfelt thank you to our staff team, whose energy, commitment and care make such a difference to the children every day. Their hard work often goes unseen, but it is truly appreciated.

Wishing all of our families a relaxing weekend, and we look forward to welcoming everyone back on Monday for another week of learning, laughter and success. 😊

Mrs Welsh 😊

English

Children have been enjoying our text for this half term Hansel and Gretel. This week they have been understanding a character's thoughts and feelings at different points in the story, writing a setting description and creating freeze frames of the main events.

Science

We have started our topic of Animals including humans. Why not ask your child about the digestive system and how food travels through our bodies. In addition to explaining this, we have also learnt about different types of human teeth and their function.

Reading journals

Children have made a great start to filling in their reading journals. Please can they be reminded to fill in their bar charts each week and please can an adult at home initial their bar chart at the end of each week. Journals will be looked at on Mondays and any reading challenges that have been completed will be celebrated! Please remember to date when the reading challenge has been completed and include evidence of this in the journal. We love seeing the exciting challenges children have been completing!

Times Tables

We are already practising our times tables daily at school. Children now have their log in details for [timestables.co.uk](https://www.timestables.co.uk) in the back of their reading journal. They are able to access this at home to practise. Regular practise at home will support their learning at school. They can also access other free websites called Daily 10 and Hit the button.

DT

For DT this half term, children will be making a pneumatic system. To do this, they will need a cardboard egg box. Please could you send these in with your children as soon as possible along with any spare boxes if you have them. Balloon donations would also be greatly appreciated. A 6 egg box would be the perfect size to create their monster!

Thank you for your support.
