

NEWSLETTER

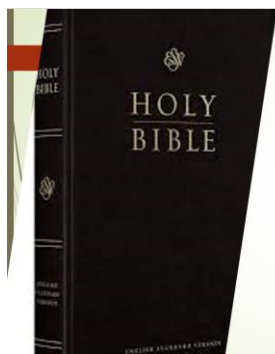

As we reach the penultimate week before half term, there is a real sense of excitement around the school. Children are busy learning and rehearsing their Harvest songs, and it has been wonderful to see their enthusiasm and confidence growing as they prepare to share these with the wider school community. Alongside this, there continues to be some fantastic learning taking place in classrooms every day. Staff and pupils have worked incredibly hard this term, and it is particularly pleasing to see the progress being reflected in the children's books. We are looking forward to sharing and celebrating their achievements with you at our upcoming Learning Conferences.

I would also like to take this opportunity to wish Mrs Harris a very speedy recovery following her recent operation. We know she is greatly missed by both staff and children, and we look forward to welcoming her back to St Peter's when she is well enough to return. In the meantime, I am sure you will join me in sending her our very best wishes. ❤️

Christian Values

This week in Collective Worship, we have been reflecting on the story of Jesus feeding the 5,000. Through this story, the children have been exploring how even the smallest act of kindness, generosity or willingness to help can have a significant impact when shared with others. We have been thinking about how we can follow this example in our own daily lives through simple actions, such as helping a friend, showing kindness or including others. It has prompted some thoughtful discussions and provided a valuable reminder that we all have something positive to contribute to our school community.

Jesus feeds 5000

Bible story

John 6:1-14

Time to reflect

What do you have that you could share?

Now think about your own life.

- What do you have that you could share?
- Could you share your time with someone who is lonely?
- Could you share your kindness with someone who is having a difficult day?
- Could you share your talents to help others?

Bratton's Bright Stars

Bratton's Bright Star Award

Awarded 16.10.26

Class	Pupil (First Name)	Reason why a Bratton Bright Star
Bratton 1 Academic	Ireoluwasimi	For his impressive vocabulary when discussing 3D shapes in Maths this week. He tested out his knowledge in his independent learning to build sturdy 3D shape towers. What an expert!
Bratton 1 Citizenship	Delilah-Bleu	For her growing confidence to share her understanding with her peers during circle time. She shows others how to be ready, respectful and safe- well done!
Bratton 2 Academic	Arthur S	For his impressive vocabulary when describing the properties of 3D shapes. He shared super clues to guess each shape carefully.
Bratton 2 Citizenship	Oliver	Oliver has shown fantastic listening skills this week, following instructions well and is growing with confidence each day. We are proud of you- keep reaching for the stars Oliver!
Bratton 3 Academic	Faye	For her amazing effort in phonics this week! You have worked so hard segmenting and blending your words
Bratton 3 Citizenship	Kushi	For her incredible manners and always showing kindness to her friends.
Bratton 4 Academic	Zidan	For his excellent achievement in Maths, successfully finding all possible addition facts from given part-whole models and showing great mathematical thinking. Keep it up Zidan!
Bratton 4 Citizenship	Amelia	For being a fantastic role model in our class. Your kindness, caring nature, and commitment to following our school rules shine through every day. Well done Amelia!
Bratton 5 Academic	Pippa	For gaining confidence with your times tables Well done
Bratton 5 Citizenship	Olly	For showing a huge improvement in following and respecting our school rules.
Bratton 6 Academic	Demelza	For sharing fascinating facts about wildlife in geography, and for always being so eager to learn. Well done, Demelza!
Bratton 6 Citizenship	James	For being so resilient in your learning and for smiling so much in school. Keep being you, James!
Bratton 7 Academic	Connie	For an excellent start at writing the introduction of your independent write, retelling the story of Little Red Riding Hood!
Bratton 7 Citizenship	Tobias	For being such a wonderful, kind member of our class. You are a pleasure to have in the classroom! 😊

Bratton's Bright Star Award

Class	Pupil (First Name)	Reason why a Bratton Bright Star
Bratton 8 Academic	Reggie	For great focus resulting in great maths and writing all week. Reggie has worked hard to show our excellent expectations in both his work and behaviour for learning. Well done Reggie, it is a pleasure to have you in the class and to see your progress.
Bratton 8 Citizenship	Jadzia	A brilliant, positive attitude to all her work this work. Jadzia has approached things with a smile on her face, tried her hardest and is beginning to ask for help when she needs it. Well done Jadzia we are <u>really proud of you</u> and know you can keep this up.
Bratton 9 Academic	Ruby	For designing a lovely pneumatic toy for herself in DT. Well done Ruby!
Bratton 9 Citizenship	Joseph	For always being a fabulous role model to those around him. Well done Joseph!
Bratton 10 Academic	Hugo	For his improved attitude to learning and focus especially during Maths. Well done Hugo!
Bratton 10 Citizenship	Harriet	For being an excellent role model showing how to be Ready, Respectful and Safe.
Bratton 11 Academic	Kate	For always trying hard in all subjects. Well done Kate!
Bratton 11 Citizenship	Maddison	For always being kind and considerate around school and always willing to help others. Well done Maddie!
Bratton 12 Academic	Andrea	For her commitment to learning across all subjects. Andrea has an excellent attitude to learning which is reflected daily. Andrea also reads daily at home and completes her reading journal to a high standard.
Bratton 12 Citizenship	Isaiah	For working consistently hard on following classroom and school expectations. This is having a positive impact on Isaiah's learning progress and building trust and relations with his adults and peers. You are a pleasure to have in Bratton 12. Keep going!
Bratton 13 Academic	Ishar	For showing excellence in his learning this week especially when counting accurately in Maths.
Bratton 13 Citizenship	Elwyn	For being an excellent role model to others in how to be ready for his learning with all he needs to be successful.
Bratton 14 Academic	Isla D	Excellent work on planning, designing and making WW2 food packaging.
Bratton 14 Citizenship	Samson	Showing others the importance of care and consideration in and around the classroom and school.

ELS Phonics Workshops - Monday 19th October

Reception, Year 1 and Year 2 parents are warmly invited to our ELS Phonics Workshops on Monday 19th October, held in the school hall at 9:00am and 5:00pm.

Come along to learn more about our phonics programme, explore the sounds your child is learning, see what a phonics lesson looks like and pick up practical ideas to support reading at home. There will even be an opportunity to have a go yourself!

We look forward to seeing you there and sharing how we teach early reading at St Peter's. Get those robot arms ready!

Harvest Celebration

This year, our Harvest celebrations will focus on Thankfulness and Generosity, reflecting on the words, *“Freely you have received; freely give.”* (Matthew 10:8). We will be encouraging the children to think about the many things they are thankful for and how small acts of kindness and generosity can make a big difference to others.

As part of our Harvest celebrations, we would like to support Telford Food Bank. We recognise that the cost of living continues to affect many families, and we appreciate that not everyone is in a position to donate. However, if you are able to contribute, donations of tinned food, pasta, rice, long-life goods and toiletries would be greatly appreciated. Every contribution, no matter how small, will help support local families in need.

Our outdoor Harvest Service, led by the Worship Council, will begin at 2:30pm, and we look forward to welcoming families to join us. It is also non-uniform day, so we are excited to see the school bright and colourful as we come together to celebrate, reflect and give thanks.

PGL Drop In Session

Boreatton Park Residential Trips | PGL Education

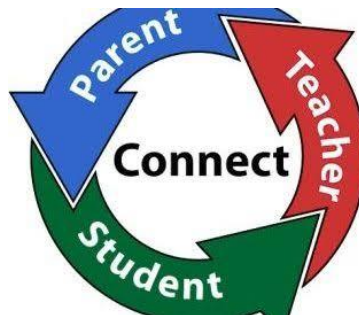

As excitement builds for the upcoming Year 6 PGL Residential, we would like to invite parents and carers to a drop-in session on Monday 19th October at 3:20pm.

This is an opportunity to ask any questions you may have about the visit, including accommodation, activities, kit requirements and arrangements for the week. Mrs Ward will be available to provide information and answer any queries.

Please enter via the Year 6 classroom door.

We look forward to seeing you there and supporting preparations for what promises to be a fantastic experience for our Year 6 pupils.

Learning Conferences

Our Learning Conferences will take place after school on Wednesday 4th November and Thursday 5th November. Following parental feedback, these appointments will once again be held after school, making it easier for families to attend. A letter has been sent home and booking is now available through My Child at School (MCAS).

These meetings provide a valuable opportunity to celebrate your child's achievements, discuss their progress and talk about the next steps in their learning journey. We firmly believe that children achieve the best outcomes when parents and schoolwork together in partnership, and we look forward to sharing your child's successes with you.

If you experience any difficulties booking an appointment, please contact the school office for assistance. Families requiring more than one appointment should also contact the office

so arrangements can be made. If the available dates or times are not suitable, please let us know and we will do our best to accommodate an alternative appointment.

We look forward to welcoming you and continuing to work together to support every child to thrive.

Pupils We Are Proud Of

Please send us your photos we love to celebrate pupil achievements!

Secondary School Admissions 2027

School admissions

A reminder to all our year 6 families that the deadline for applications for secondary school places for September 2027 is **31st October 2026**.

Telford & Wrekin Council | Secondary School Admissions

After School Clubs

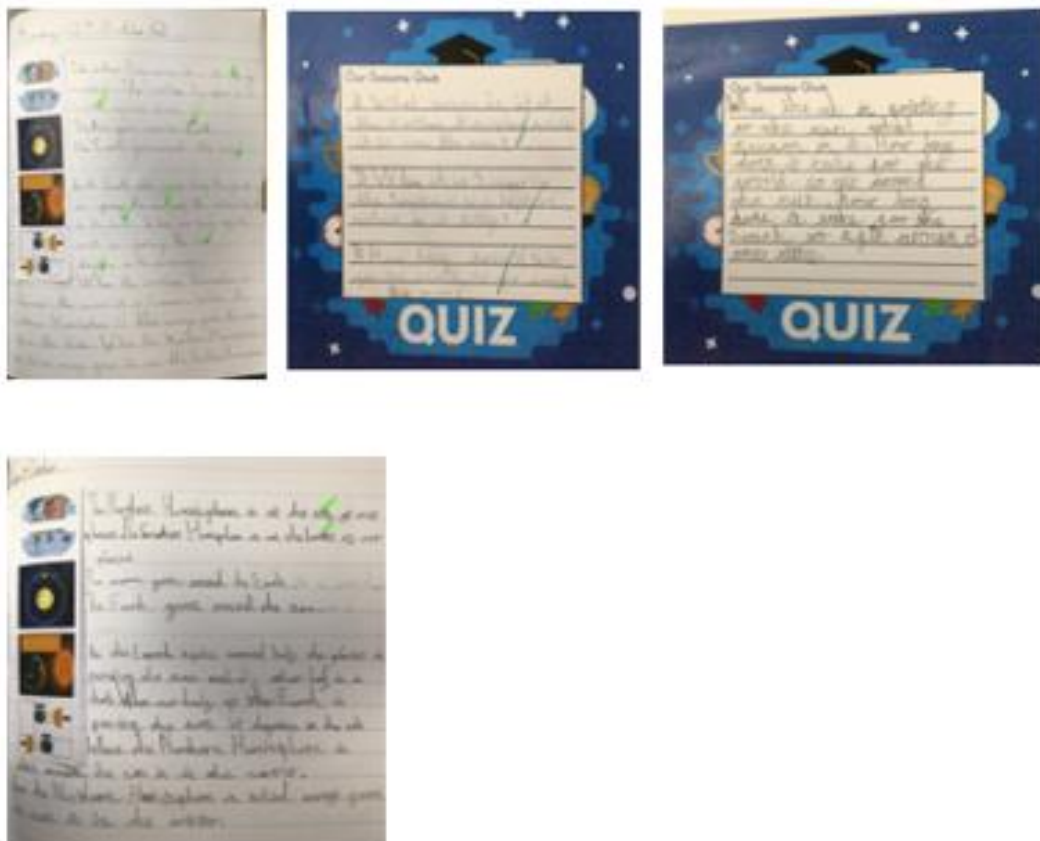

All after-school clubs have now finished for this half term. Information about our new clubs, along with booking details, will be sent out during the first week back after the break.

Year 3

This week in English, we have planned our retell of Little Red Riding Hood and have used this to begin our independent write. The children have really put a great effort into beginning their piece of writing!

In Maths, the children have worked practically to develop their understanding of subtraction with exchange. They used a range of manipulatives, such as base 10, place value counters and number lines to help solve the answers to their questions.

In Geography, we acted out how the Earth orbits the sun while spinning and the moon orbiting the Earth. After recovering from dizziness, we learnt how this creates the seasonal changes. We showed our learning by creating some quizzes so we could test our classmates.

We linked this with our Science about light. We have learnt how the size and position of shadows change during the day. We now understand that our planet orbits the sun which means the sun changes position throughout the day and this changes the position and shape of shadows it creates.

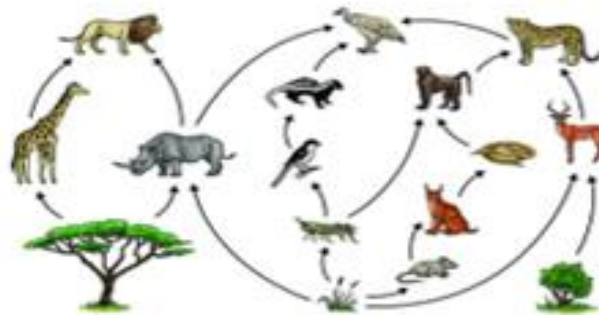

English

Children have been enjoying *The Tunnel* by Anthony Browne. We have read with fluency and intonation, sequenced the story, and retrieved information from the text. Next week we will be writing a diary entry as one of the characters.

Science

We have almost finished our topic of Animals including humans. We have been learning about food chains and food webs.

Home Reading Challenge

Children have been given a home reading challenge to do linked to our text after half term *The Great Kapok Tree*.

Thank you for your support

Mrs Poole and Mrs Biggs 😊
