

Reception News 4.10.19

Welcome back to school!

We have been busy keeping an eye on the pumpkin in our woodland area. We are looking to see what might have been nibbling it!

We talked about staying safe on Bonfire Night. We have had great fun making firework pictures using marbles.

Communication, Language and Literacy

Phonics

We are learning the correct sounds for these letters

h b f l ll ff ss

j v w x y z zz qu

ch sh th ng

We have been playing games matching objects starting with the sound to the correct letter.

We are learning to 'sound talk' to help us blend sounds eg.

fuss box chip this

This is helping us to read and write words.

Writing

We continue to practise our letter formation and our names.

Reading

We will be sharing our approach to reading at the Reading Meeting on Wednesday 13 November.

Mathematics

We have been focusing on comparing quantities of identical objects.

We have been: Noticing inequality of groups

Comparing groups using more and fewer

Identifying more and fewer in different representations

Realising that quantities can be equal

Finding something that has more or fewer
